FEB 20 1989

Dear Senator Fischer,

I am writing, as a student loan recipient, to offer my support for the reinstatement of the forgiveness clause.

I understand this matter is coming before the HESS committee for consideration. I feel this is a good investment in the future of Alaska. It encourages Alaskans to achieve an education and keep it in, or bring it back to our state.

My recent completion of my education in aircraft maintenance has allowed me to gain employment in this field. It is my intention to remain in Alaska. Without the student loan program I would not have been able to attend school.

Thank you for your consideration,
