Dear Senator;

I understand legislation
S.B. 360 is currently in
your committee. What this
legislation was introduced
this year.

I would appreciate a
copy of S.B. 360 legislation.

I would like to
express my desire to
support this legislation
whole heartedly. And

2
also for its speedy
approval and application.

Also for a substantial
amount of the "13th Check"

I believe most retirees
would even accept their
present checks doubled.
altho I know it may
not take place.

Thank you & Committee
very much for your
time & consideration.

Thank You,
Sincerely,
B. R. Ingalls
