FROM: Representative Ronald Larson *R.L.*

DATE: April 13, 1989

RE: CSHB 29 (L&C)

Referred to your committee today was CSHB 29 (L&C), an Act establishing the Alaska Racing Commission and authorizing parimutuel wagering. I would like to take this opportunity to respectfully request your consideration for scheduling a hearing on this bill at your earliest convenience.

This bill is basically the same as HB 32 from last year's legislative session. Offering local option provisions for parimutuel wagering, my intent with this piece of legislation is to help establish some private sector economic development. I also feel this could help Alaska's struggling agricultural community.

If you or any of your staff have any questions, please don't hesitate to contact either myself or John Bitney of my staff at 3727.

Thank you for your time and consideration.

MEMORANDUM

February 28, 1989

SUBJECT: Sectional analysis of CSHB 29(L&C)
TO: Representative Ron Larson
FROM: Terri Lauterbach 
Legislative Counsel

The following is a sectional analysis of CSHB 29(L&C).

Please note that a section-by-section analysis or summary of a bill should not be considered an authoritative interpretation of the bill. The bill itself is the best statement of its contents.

Section 1. Section 1 of the bill provides for the creation of a commission to regulate racing and parimutuel wagering.

ARTICLE 1. ALASKA RACING COMMISSION.

Sec. 05.40.010 establishes the Alaska Racing Commission in the Department of Revenue. The commission is composed of five members appointed by the governor. One member of the commission shall have experience in the regulation, supervision, or conduct of parimutuel wagering or horse racing, one member shall have experience in law enforcement, one member shall have experience in bookkeeping or accounting, and two members shall be public members. Members of the commission must be residents of the state. A person may not be appointed to the commission if that person has been convicted of a felony or gambling offense. A person may not serve as a member of the commission until a background check is completed by the Department of Public Safety. The commission members elect the chairman. Three members of the commission constitute a quorum.

Sec. 05.40.020 sets the term of appointment to the commission at four years.

Sec. 05.40.030 establishes procedures for removal of a member from the commission.

Sec 05.40.040 provides that members of the commission receive no salary but do receive per diem and travel expenses authorized for boards and commissions when the members are serving on the board.

Sec. 05.40.050 sets out the duties and powers of the commission. The commission shall adopt regulations concerning licenses and special permits for persons subject to the jurisdiction of the commission, appointment of officials to monitor races, distribution of the parimutuel pool, veterinary standards for races, the equipment used for parimutuel wagering, auditing procedures, and other matters related to horse racing and parimutuel wagering. The commission shall also regulate races, inspect race tracks and racing animals, establish racing dates and durations, sanction racing at specific locations, set fees, make an annual report to the commissioner of revenue and the legislature by February 15 of each year, keep detailed records of race meets and all collections and disbursements, and supervise parimutuel pools.

The commission may hire staff, compel witnesses to appear before the commission, compel production of documents of race meet operators, appoint hearing officers, and impose, by regulation an admission surcharge for races meets without regard to whether the race track charges admission.

Sec. 05.50.060 provides that commission employees are in the partially exempt service.

Sec. 05.40.070 provides that the Attorney General will enforce the regulations of the commission.

Sec. 05.40.080 provides that the records of the commission are public.

Sec. 05.40.090 provides that money received by the commission shall be paid into the state's general fund.

ARTICLE 2. RACE MEETS.

Sec 05.40.100 requires that a person conducting a race meet be licensed by the commission. A race meet operator's license is valid for three years unless revoked or suspended. The race meet operator has the exclusive right to operate or contract for the operation of concessions at the site

of the race meet. A person convicted of a felony or a gambling offense may not receive a license to conduct a race meet.

Sec. 05.04.110 provides that a person may not participate in a race meet as an animal owner, trainer, jockey, driver, attendant, groom, stable hand, veterinarian, employee of the race meet operator, concessionaire, or concession employee without receiving a special permit issued by the commission. A special permit is valid for one year unless revoked or suspended.

Sec. 05.40.120 prohibits the commission from sanctioning a race within a municipality unless the voters of the municipality have approved a referendum authorizing parimutuel wagering on horse races within the municipality and the municipality, after holding a public hearing, approves issuance or renewal of the license.

Sec. 05.40.130 provides that the parimutuel pool shall be distributed 65 percent to the holders of winning tickets, 15 percent to the race meet operator, 10 percent as purse money, and 10 percent to the commission. The amount of the pool distributed to holders of winning tickets shall be at least 65 percent and may be increased by the commission if the commission finds that it is necessary to promote efficient and successful race meets. The commission may adjust the distribution of the remaining 35 percent of the pool among purse money, the race meet operator, and the commission as necessary.

Sec. 05.40.140 provides that the race meet operator shall report to the commission within 30 days after each race on the distribution of the parimutuel pool. The race meet operator shall report to the commission on the operation and proceeds of concessions at the site of the race meet within 30 days after the end of the race meet.

Sec. 05.40.150 provides that the commission may appoint persons, including members of the commission, to serve as observers of race meets. An observer shall be present at the site of a race meet on the day before, the day after, and during the race meet.

ARTICLE 3. GENERAL PROVISIONS.

Sec 05.40.900 provides that the commission is subject to the Administrative Procedure Act.

Sec. 05.40.910 provides that members of the commission are subject to the prohibitions against conflict of interest.

Sec. 05.40.950 establishes prohibited acts and penalties. It is a class A misdemeanor to

- 1) violate a regulation of the commission if no effect on the outcome of a race licensed by the commission was intended;
- 2) record, report, register, or place a wager on a horse race except as provided under the authority of the commission;
- 3) permit a person under 21 years of age to place a wager.

A class A misdemeanor is punishable by imprisonment of not more than one year or a fine of not more than \$5,000 or both.

It is a class C felony to violate a provision of AS 05.40 or a regulation of the commission with the intent to affect the outcome of a race. A class C felony is punishable by imprisonment of not more than five years or a fine of not more than \$50,000, or both.

Sec. 05.40.990 establishes definitions for "breakage", "commission", "harness race", "horse race", "parimutuel", "race meet", "race meet operator", and "special permit".

Sec. 2. Section 2 of the bill amends AS 18.65.080 by providing that the Department of Safety shall investigate whether a person appointed to the commission, a person employed by the commission, a race official, a race meet operator, or a person required to obtain a special permit has been charged with a felony or a gambling offense.

Sec. 3. Section 3 of the bill amends AS 39.25.120(c) to include commission employees in the partially exempt service.

Sec. 4. Section 4 of the bill amends AS 39.50.200(b) to include the Alaska Racing Commission within the definition of "state commission or board" so that members of the commission are subject to prohibitions against conflict of interest.

Sec. 6. Section 6 of the bill imposes a duty on the governor to appoint the initial members of the commission within 120 days after the effective date of this Act.

SUBJECT: Clarifying amendment
CSHB 29(L&C) am

TO: Representative Ron Larson

FROM: Terri Lauterbach *TL*
Legislative Counsel

Enclosed is an amendment that would clarify and correct a provision of CSHB 29(L&C)am relating to voter approval of municipal parimutuel wagering at horse races.

Municipal referendums involve repeal of ordinances, not approval of ordinances. Therefore, the proposed amendment deletes the bill's language relating to a referendum by the voters and inserts language requiring voter approval of an ordinance.

I apologize for any inconvenience the improper referendum language has caused. Please let me know if I can be of further assistance on this matter.

POSITION PAPER

CSHB 29 (L&C) am: "An Act establishing the Alaska Racing Commission and authorizing parimutuel wagering at sanctioned events; e.d."

CSHB 29 (L&C) am establishes the Alaska Racing Commission within the Department of Commerce and Economic Development. The commission consists of five members appointed by the governor, including two public members.

The commission is charged with adopting regulations concerning licenses and permits for parimutuel wagering, appointment of race officials, distribution of the parimutuel pool, veterinary standards, auditing procedures, and other matters relating to parimutuel wagering. The commission is to regulate and supervise all horse races, inspect and approve race tracks and race horses, establish racing dates and durations, and supervise the making and distribution of parimutuel pools. Race meets may be conducted only within a municipality.

The commission is to make an annual report to the Legislature by February 15 of each year.

The bill sets out qualifications for those applying for a race meet operator's license. A race meet operator's license is valid for three years. The bill stipulates that no person may participate in a race meet as an owner of an animal, trainer, jockey, driver, attendant, groom, stable person, veterinarian, employee of a race meet operator, concessionaire, or concession employee without a special permit. A special permit is valid for one year.

The commission may not sanction a race meet within a municipality unless a majority of the voters in the municipality has approved a referendum authorizing parimutuel wagering on horse races and providing for municipal licensing of race meets within a municipality. A municipality must, after a public hearing, approve issuance or renewal of the municipal license for the race meet.

CSHB 29 (L&C) am provides that the parimutuel pool shall be distributed in the following manner: 65% to the holders of winning tickets; 15% to the race meet operator conducting the race meet; 10% as purse money; and 10% to the commission (Sec. 05.40.130 (a)).

The department recommends that a new subsection be added to this section to provide the department with program receipt authority to avoid any problem of dedication of funds, and to allow the department to use program receipts to fund the cost of regulation of parimutuel wagering. The standard program receipt language would read:

Sec. 05.40.130(d). Money received by the commission under this chapter shall be deposited in the general fund. The commissioner of administration shall separately account for the money deposited in the general fund under this section. The annual estimated balance in the account may be used by the legislature to make appropriations to the department to carry out enforcement of this chapter.

CSHB 29 (L&C) am takes effect July 1, 1990.

The department believes that, if the Legislature chooses to authorize parimutuel wagering or any other type of gambling activity, the administration and regulation of the activity would best be handled through a commission such as that outlined in this bill.

No. 2
CSHB 29 (L&C)
HOUSE 2/3/89

This bill amends AS 05 by establishing the Alaska Racing Commission and by authorizing parimutuel wagering at sanctioned horse race events. The bill provides that the commission, and its staff, would be responsible for regulating all sanctioned events under a comprehensive regulatory scheme that covers nearly every aspect of race operations and wagering. It is our view that a substantial body of regulations will need to be drafted and adopted to carry out the purposes of this bill. We are therefore requesting \$75,000, as a one-time expense, to handle the drafting effort. We believe that this is the minimum amount necessary to insure proper regulatory oversight, if this form of legalized wagering is authorized in the state.

Unfortunately, we cannot predict future legal costs that may occur once sanctioned racing is established, because of our total lack of experience in this area. It is conceivable, however, that if racing becomes well established that at least one civil attorney and one criminal attorney, plus support costs, could be required on a continuing basis due to racing activity. Because of the severe budget constraints that have already been felt by the department, and because of further budget reductions that may take place in FY 90, it will be necessary to request additional funds when and if racing activities so warrant.

Under Section 2 of the bill, the Department of Public Safety will be required to run criminal history checks on certain individuals. Horse Racing At The Fair

TRIPLE TUFF leads the field in one of last year's races at the new Alaska State Fair race track south of Palmer.

Riding is Bobby McCarthy Jr. Triple Tuff is now owned by Len and Marsha Melton.

Photo Finish At State Fair

Nearly 1,000 people gathered at the Alaska State Fair race track in Palmer over the weekend to watch 22 horses charge across the finish line with one race so close only the photo finish camera could tell the winner. Great interest has generated among the crowd in racing.

Friday night the 220 winner was Pow Wow Gidget owned by Ellis Enterprises and ridden by Dana Richmond; second Thanks Doc, owner Jinx Coster, jockey Sissy Melton, third was Dungaree ridden by Steve Clark and owned by Dennis Clark. In the 350, Doc won over Pow Wow Gidget.

The 440 saw Babe's Twig owned and ridden by Cecil Premus take the race with Triple Tuff owned by Len Melton, ridden by Hoot Melton, hot on his heels and Moon's Hotshot, Ellis Enterprises and jockey Dana Richmond taking third. Just a Bird and Mac's Little Kid also ran.

General Bars ridden by Bob McCarthy, owner Dennis Clark, won over Nile Queen ridden by Kris Roetman, owned by Emmett Roetman. Both are thoroughbreds.

An exciting cow puny race

with eight entries had only a third place winner, Danny owned and ridden by Kelly Wilson. The first and second place animals were disqualified for fouls.

Outstanding weather contributed to standing room only for Saturday afternoon racing. Pow Wow Gidget took Thanks Doc and Ragged Ann owned by Esther Erikson and ridden by Terry Erikson in the 220.

The next racing date will be Saturday and Sunday at 2 p.m. on July 6 and 7. Race horse owners may practice at the Alaska State Fair, Inc. race track one mile from Palmer on Tuesday and Thursday evenings, 7:30-9:30 p.m. and Sunday afternoon from 2-4 p.m. (except on racing days). Ed Premus will be the gate keeper while Vernon Francis is on vacation.

Government

Valley cities would welcome track gambling

By JIM BRUGGERS
MAT-SU—Even though wagering on a horse race is against state law, the Palmer and Wasilla city councils think having a race track in the Valley is a good bet on the future.

The two councils are looking at parimutual betting as one way to make up for the state's declining oil wealth.

However, officials from both towns acknowledge that legislation will have to be passed in Juneau

before this form of gambling will be legal.

The issue surfaced last week, first in Wasilla and then in Palmer, in a sequence of events that has Palmer scrambling to maintain its lead in being the first Alaska city to allow gambling on horse races.

In Wasilla, Mayor Charles Bumpus announced that he would encourage parimutual betting in his town. An ordinance allowing it

pending state approval, is being drafted now, according to Wasilla Development Coordinator John Stein. That ordinance will be introduced at the Wasilla council's Aug. 12 meeting.

Stein said Friday that parimutual betting could be a good source of revenue for the city, through attracting tourism dollars as well as supporting agricultural-related businesses in the

Valley.

He said the "Anchorage market" might also support parimutual betting. But he cautioned that, before the city should take on such a project, a major feasibility study would need to be done.

Immediately after learning of Wasilla's interest in setting up a track, the Palmer council introduced its own ordinance at a special

meeting late Thursday afternoon.

According to Palmer Mayor George Carte, the meeting was called by City Manager Dave Soulak and at the request of councilwoman Marsha Melton, who is also the Alaska State Fair manager.

The mayor, who said he will probably oppose gambling in Palmer, said the meeting was called so Palmer could stay ahead of Wasilla in this issue.

He noted that the State Fair has, for a number of years, been interested in establishing parimutual betting at its race track.

In fact, the fair commissioned a study on the practice of parimutual betting in 1977.

The Palmer council's action, approved unanimously by Mike Pippel, Marsha Melton, Joe Berberich, Diana Long and Carte, established a public

hearing Aug. 13 before the Palmer council.

Carte said before the meeting that he isn't sure gambling would be appropriate in Palmer.

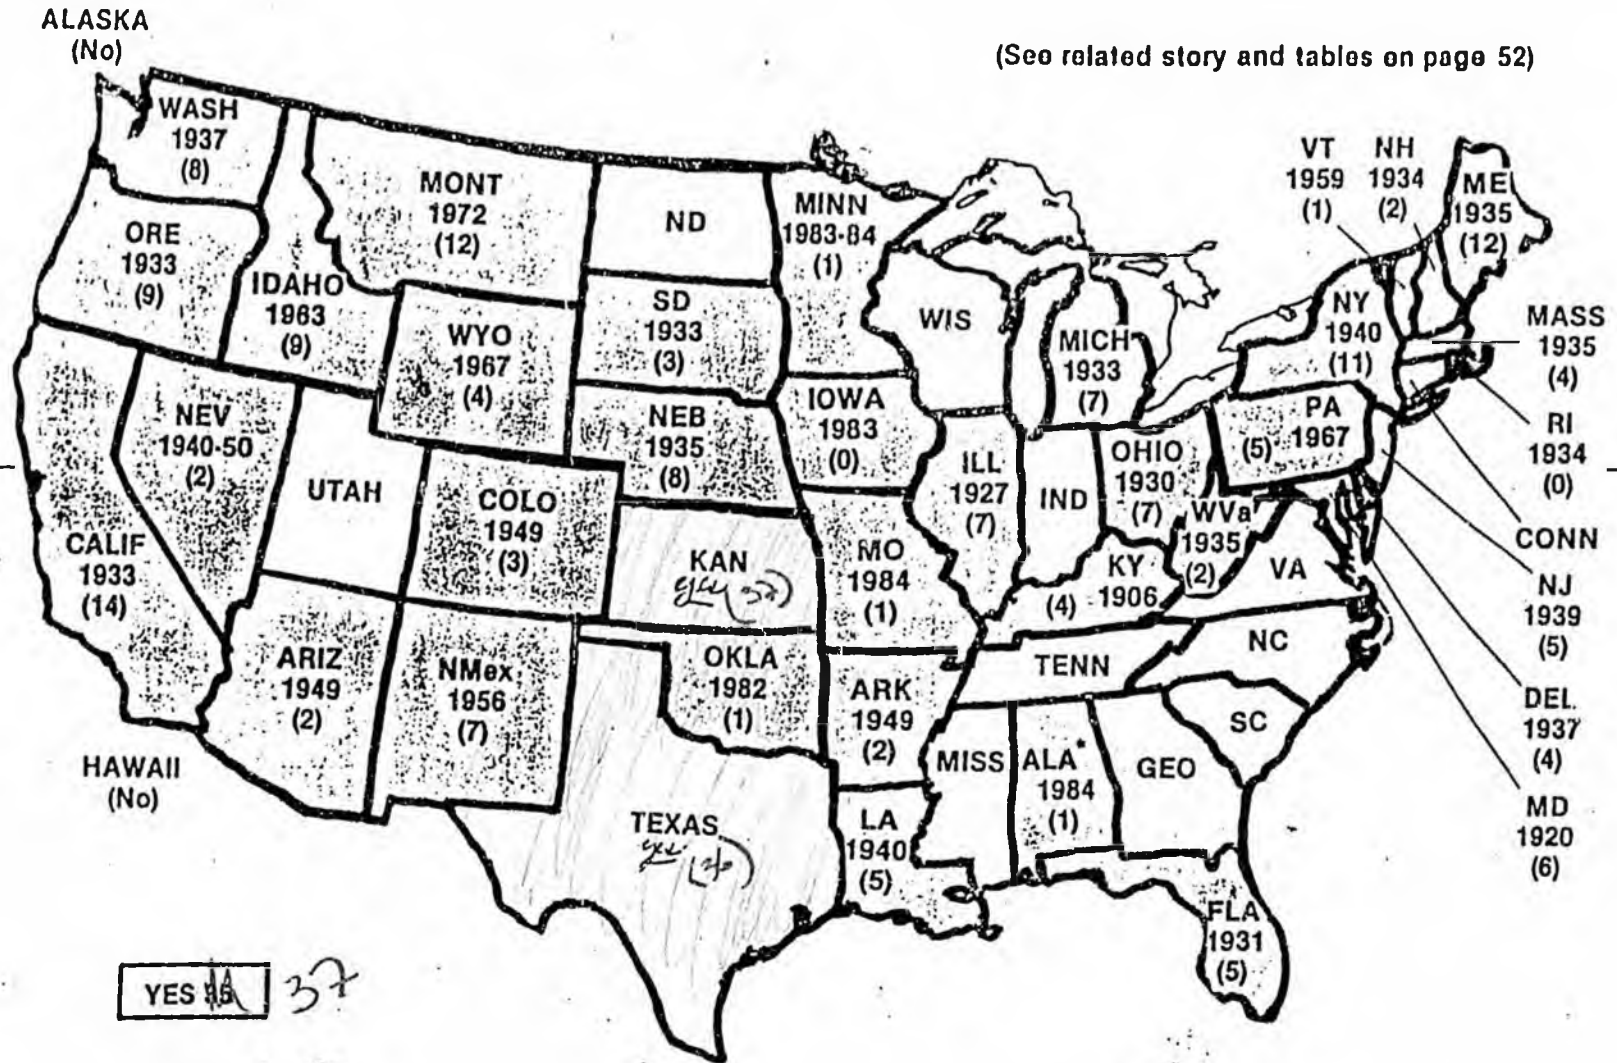

According to the fair's study, parimutual betting is the system of wagering used most often by race tracks. Odds are determined according to the approximate ratio of the amount bet on all horses to the amount bet on each individual horse, the report states.

A RESOLUTION OF THE MATANUSKA-SUSITNA BOROUGH SUPPORTING
HOUSE BILL 32 AND SENATE BILL 63.

WHEREAS, the Alaska State Legislature has pending before it House Bill 32 and Senate Bill 63 that would authorize state controlled parimutuel betting on horse and dog racing where approved at a local option election, and

WHEREAS, the voters in the cities of Palmer and Wasilla have previously approved in an advisory vote the conduct of certain parimutuel wagering within their boundaries, and

WHEREAS, horse and dog racing in the borough would create a demand for feed, pasture and other agricultural products and services related to animal husbandry that are readily available in the borough, and

WHEREAS, horse and dog racing in the borough would be a tourist attraction for Alaska, bringing visitors from other states as well as other areas of Alaska, and

WHEREAS, horse and dog racing in the borough would generate additional use of the Alaska Railroad, and
