Senate President

Senate State Affairs Committee *Pat*

RE: Committee Referral of SB 215

DATE: March 15, 1989

I would like to call to your attention the committee referrals on SB 215, relating to credit under the public employees' retirement system for employees of the Alaska State Development Corporation.

SB 215 has been referred to the Health, Education and Social Services Committee and the Finance Committee. Under Uniform Rule 20, the State Affairs Committee has jurisdiction over programs of the Department of Administration, which include the public employees' retirement system. I would note that several other retirement bills have been referred to the State Affairs Committee (SB 73, SB 197, SB 216).

I would appreciate your review of the referrals on SB 215, and would be happy to discuss this with you further at your convenience.
