**Letter of Intent
for
CS HB 164 (HES)**

It is the intent of the House Health, Education and Social Services Committee that occupational licensing fees established pursuant to AS 08.01.065 shall reflect the actual costs to the department for which the fee is charged, except when to do so would create an unreasonable burden upon licensees. The committee requests the Board of Dental Examiners to work with the department in re-evaluating its current licensing fee schedule. The committee further requests the department to issue a report on fee schedules, with notation as to those fees which have been changed, to the legislature by the first day of the second session of the Seventeenth Legislature.

It is also the intent of the House Health, Education and Social Services Committee that in the next year the Board of Dental Examiners and the Division of Occupational Licensing develop new procedures for credentialing, including credentialing for dental specialists and report their recommendations to the House and Senate HESS Committees by the first day of the second session of the Seventeenth Alaska State Legislature.
