The Honorable Richard I. Eliason
President of the Senate
P.O. Box V
Juneau, AK 99811

Dear President Eliason:

Under the authority of art. III, sec. 18, of the Alaska Constitution, I am transmitting a bill relating to credits for drilling stratigraphic test wells. The bill authorizes the commissioner of natural resources to extend exploration incentive credits under AS 38.05.180(i) to persons drilling stratigraphic test wells between July 1, 1991 and July 1, 1993 on land in the state.

Currently, AS 38.05.180(i) permits the commissioner to grant oil and gas lessees credits against royalty and tax payments due the state. The credits are limited to one-half of a lessee's costs for drilling an exploratory well or performing geophysical work.

The purpose of the new credits is to encourage the drilling of stratigraphic test wells on land not currently under oil or gas lease. In an effort to obtain information that would help the state complete, by January 1994, its selection of land under the Alaska Statehood Act, all the major oil and gas companies operating in the state have already been asked to consider drilling stratigraphic test wells on unleased land; none are motivated in the absence of credits.

The bill requires the driller to provide the state with well data before a credit is approved. This assures that no credit will be granted unless the state receives, in exchange for the credit, information bearing on the selection of land under the Alaska Statehood Act.

The total of all credits granted for drilling stratigraphic test wells may not exceed \$20,000,000. If drillers' costs approved for credit exceed \$20,000,000, then \$20,000,000 in credits would be pro-rated among the drillers on the basis of approved costs.

The Honorable Richard Eliason - 2 -

AS 38.05.180(f) is rewritten by the bill to prevent that subsection from becoming unduly cumbersome through the addition of the language providing for the new credits. No substantive change has been made in the existing provisions.

Sincerely,

A handwritten signature in black ink, reading "Walter J. Hickel". The signature is written in a cursive, flowing style with a large initial "W".

Walter J. Hickel
Governor
