TO: REP. KUBINA  
FROM: SEN. SHULTZ  
DATE: FEBRUARY 20, 1992  
RE: SB 199

\*\*\*\*\*

I have introduced Senate Bill 199 to assist members of the legislature in determining the full impact of regulations being proposed by the administration.

The language I have added to statute will require the administration to provide the reason they are proposing a reg. along with the immediate and down line costs of the reg.

With declining revenues this legislation will help us fulfill our role in assessing costs of government. It will also require the administration to consider more closely the costs associated with their actions.

I would appreciate your support for this legislation and hope you could schedule a hearing for it soon.

Thank you.
