(9)

lack of service of ferry

Need yearly daily service.

Need reasonable hours of service for ferry.

Ayers replied.

Now overhaul time changed to suit requests.

When he come out, Aurora has to serve both routes.

looking at Taku providing additional service

next year / 1 day per week.

side 2

Jeff Rector

- Hollis

(10)

Hollis terminal Manager

Need 2 vessels in October thru December
January slow month - go to 1 vessel then.

Need to realign ferry schedule so

P.O.W ferries not always arriving middle of night.

Aurora needs consistant time on daily schedule.

180

Ayers

hot of shuttling right now.

Need 184' south end of shipyard
to be able to put 2 ferries in at one
time. This would stop shuttling.

Need to take recommendations to
Advisory Committee. Ayers listening to Advisory
Committee. They help put schedule together.

Keith Steigar - Klawock

only one glide slope in Ketchikan
Klawock - terrible - Ketchikan poor.

Richard Charlie Brown

(12)

4 years in Coast Guard - 2 years on P.O.W.
Was there study done on short haul
fast ferry for P.O.W. Seating needs altering.

Ayers

No. Have downloaded traffic #'s
to see what would suit.

Have looked at fast ferries

Fast ferries suck up a lot of fuel.

Passenger only F.F not really financially feasible.

Ayers will look at seating. Currently
bid out in lots.

Morris Berbers

Klawock

(13)

John Holst

Craig

(18)

Superintendent -

Safety #1 issue, rather ferry than fly
Cost much higher to fly
If ferry had to pay for itself POW route would
Trips for activities about \$60,000
Student fare 1/2 price for more than 5.
Most of \$60,000 is not on ferry.

Ralph Mackie -

Craig
