Met needs more service year round  
2 day/week service in winter T T thru April  
April M W F S S 1/day  
May thru Sept - S S M W 2/day  
Schools cannot coincide with ferry for sports in winter  
often times charter boat or plane.  
Wants additional service, especially in winter.  
Priority - need F. S. S service.  
Talked about 4 days were ferry  
lays over in Hollis. Should come back  
to Ketchikan then to Metlakatla.

Met cut 300 - 600,000 in FY 92
