TABLE ONE

Post-election Surplus/Deficit Status Alaska State Senate Candidates in the 1990 General Election

Explanation of Columns

This table was prepared from reports filed with APOC by 1990 State Senate candidates and includes transactions through the close of the 1990 Year-end reporting period (12/31/90).

The "Cash-on-hand" column shows a candidate's campaign account balance on 12/31/90.

The "Debts" column shows a campaign's total unpaid expenses on 12/31/90 and includes any loan balances owed to contributors other than the candidate.

The "Personal Loans" column shows the balance the campaign owes the candidate for his or her personal loans. A negative total means that during the 1989-90 campaign cycle the candidate withdrew more funds than he or she contributed - either to pay back personal loans to a prior campaign, for "office allowance account" expenses, or as personal income.

The "Surplus or Deficit" column shows what a candidate's 1990 surplus or deficit would be if repayment of personal loans to past campaigns, transfers to office allowance accounts, and withdrawals for personal income were prohibited.

MEMORANDUM

April 3, 1991

SUBJECT: Sectional analysis of W.O. 7LS1064\A (Campaign finance bill)

TO: Senator Virginia Collins
Chair, Special Committee on Ethics Reform
Attn: Shirley Armstrong

FROM: John B. Gaguine *JBG*
Legislative Counsel

You have requested a sectional analysis of the above described bill.

As a preliminary matter, note that a sectional analysis or summary of a bill should not be considered an authoritative interpretation of the bill and the bill itself is the best statement of its contents. If you would like an interpretation of the bill as it may apply to a particular set of circumstances, please advise.

Section 1 raises the daily compensation for members of the Alaska Public Offices Commission attending APOC meetings from \$50 to \$100.

Section 2 requires the APOC to render an advisory opinion within 30 days of a request, unless the requestor agrees to a longer period; it also makes the advisory opinion binding on the APOC in a subsequent proceeding unless the requestor has misstated or omitted material facts in the request.

Section 3 adds two new sections to AS 15.13, one prohibiting the solicitation and acceptance of campaign contributions in state or municipal buildings, and the other prohibiting use of public resources (including a public employee's time) to influence an election and posting of campaign material in public buildings.

Section 4 provides that two or more groups with overlapping officers are to be considered as one group for the purposes of the ceiling on campaign contributions.

Section 5 provides that a person required to register as a lobbyist, except for a person whose only compensation for lobbying is reimbursement of expenses, may not serve

as a campaign treasurer or deputy campaign treasurer during a calendar year in which the person was required to register.

Section 6 makes clear that the \$1,000 contribution maximum includes the value of goods and services, and pertains to a calendar year.

Section 7 makes absolute the prohibition on cash campaign expenditures over \$100; it abolishes an exception allowing such expenditures if a written receipt for the expenditure is filed with the APOC.

Section 8 amends the requirement that anonymous contributions be returned to require that they be returned in 10 days. It also provides that contributions by unemancipated, unmarried minors are automatically charged toward the contribution limits of the minor's parents.

Section 9 adds several new subsections to AS 15.13.070. Subsection (i) prohibits candidates and groups controlled by candidates from contributing campaign funds to another candidate. Subsection (j) prohibits all loans and loan guarantees, except for 1) loans from a candidate and a candidate's family to the campaign; 2) regular extensions of credit to a campaign by a business; and 3) regular loans by financial institutions. Subsection (k) prohibits people from acting as intermediaries in the transmission of campaign contributions. Subsection (l) prohibits legislators running for any office, and all candidates for the legislature, from fundraising during a session and from accepting money that is raised during a session fundraiser. And subsection (m) prohibits municipalities and school districts from making contributions to a candidate or a group.

Section 10 adds several new sections to AS 15.13. AS 15.13.072 prohibits the conversion of campaign funds, and goods purchased with campaign funds, to personal use. AS 15.13.074 requires that campaign accounts be closed out after an election, and restricts the uses to which surplus funds can be put. AS 15.13.076 provides that a candidate is responsible for violations of AS 15.13 by his or her campaign officers, and that a group chair is responsible for violations of AS 15.13 by other officers of the group. And AS 15.13.078 prohibits the state, municipalities, and school districts from spending public money on an election, except for appropriate public information functions (such as running newspaper ads on the dates of a municipal election).

Section 11 amends AS 15.13.120(d) to require that complaints filed with the APOC be under oath, and that the APOC act on a complaint within 45 days instead of the current 60.

Section 12 makes a complaint filed with the APOC, and all documents produced during an APOC investigation, confidential until such time as the APOC finds probable cause to believe a violation of AS 15.13 has occurred. Under current law the complaint and the response to the complaint are public, as is the APOC staff's investigative report when it is presented to the APOC.

Section 13 makes a technical amendment, defining "commission" in AS 15.13 as the APOC.

Section 14 provides that a candidate for statewide office may not file a declaration of candidacy more than 18 months before the filing deadline, and that legislative candidate may not file before January 2 of the election year.

Section 15 makes the same change as Section 14 with regard to candidates seeking ballot access by petition.

Sections 16 and 17 together require all municipalities, including home rule municipalities, to enact ordinances prohibiting the filing of declarations of candidacy or nominating petitions for municipal office more than six months before the filing deadline.

Sections 18 - 20 reinstate, in a limited form, the political contribution credit of up to \$100 a person that was suspended (until 1993) in 1987. The credit would be applicable only to contributions to candidates for governor, lieutenant governor, and the legislature, and no longer to candidates for President and Congress, to judges facing retention elections, to municipal candidates, to groups advocating or opposing a ballot proposition, or to groups organized primarily to influence elections.

Section 21 repeals two subsections of the legislative ethics act, AS 24.60, that prohibit fundraisers in Juneau during the session and exclude Juneau legislators from the prohibition. These subsections are redundant to the provisions of this bill prohibiting all fundraising during session.

SEVENTEENTH LEGISLATURE - FIRST SESSION****BY THE SENATE SPECIAL COMMITTEE ON ETHICS REFORM**

2 material, and to the Alaska Public Offices Commission."

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

4 * Section 1. AS 15.13.030 is amended by adding a new paragraph to read:

5 (11) issue an advisory opinion to a person affected by this chapter regarding the
6 interpretation of this chapter within 30 days of the request for the opinion or within an additional
7 period of time that the person requesting the opinion may agree to; the advisory opinion issued
8 is binding on the commission in a subsequent proceeding concerning the facts and circumstances
9 set out in the request for an advisory opinion, unless material facts were omitted or misstated in
10 the request.

11 * Sec. 2. AS 15.13 is amended by adding new sections to read:

12 Sec. 15.13.041. PROHIBITED SOLICITATION OF CONTRIBUTIONS. (a) A public

3 municipal building.

4 (c) A candidate, a candidate's campaign treasurer or deputy campaign treasurer, a group,
5 or an officer of a group may not accept a contribution that the candidate, campaign treasurer,
6 deputy campaign treasurer, group, or officer of a group knows was obtained in violation of this
7 section. A person who violates this subsection is guilty of a class A misdemeanor and may be
8 fined an amount provided in AS 12.55.035 or an amount equal to four times the amount of the
9 illegal contribution, whichever is greater.

10 Sec. 15.13.043. USE OF PUBLIC OFFICE OR AGENCY FACILITIES IN A
11 CAMPAIGN. (a) A person may not use or authorize the use of public funds or property, or the
12 time of a public officer or employee, to influence the outcome of an election.

13 (b) A person may not use or authorize the use of public funds or property, or the time
14 of a public officer or employee, to produce, print, publish, broadcast, or otherwise disseminate
15 material designed and timed to influence the results of an election, regardless of the lack of
16 specific reference to the election.

17 (c) A person may not solicit, verbally or in writing, or receive a contribution on behalf
18 of a candidate or group in a facility ordinarily used for the conduct of public business.

19 (d) A person may not deliver a contribution, or cause a contribution to be delivered, in
20 a facility ordinarily used for the conduct of public business, other than a postal facility.

21 (e) A person may not distribute or post, or cause to be distributed or posted, a
22 communication designed to influence the outcome of an election in a public building.

23 (f) Nothing in this section prohibits

24 (1) the division of elections from preparing and distributing the voter election
25 pamphlet under AS 15.58;

26 (2) nonpartisan voter registration activities;

27 (3) action taken at a public meeting by members of the legislature, of a committee
28 of the legislature, or of a state or municipal board or commission, expressing a collective decision
29 or voting on a motion, proposal, bill, resolution, ordinance, or order;

30 (4) action by an elected public official of the state or of a municipality in support
31 of or in opposition to a ballot proposition or question at an open press conference or in response

1 to a specific inquiry.

2 * Sec. 3. AS 15.13.050 is amended by adding a new subsection to read:

3 (b) Two or more groups, other than political parties and subdivisions of political parties,
4 in which two or more persons hold office in each group are considered to be a single group for
5 purposes of the contribution limitations of this chapter.

6 * Sec. 4. AS 15.13.060 is amended by adding a new subsection to read:

7 (g) A person may not serve as a campaign treasurer or deputy campaign treasurer during
8 a calendar year in which the person was required to register as a lobbyist under AS 24.45, unless
9 the person acted only as a representational lobbyist as defined in the regulations of the
10 commission.

11 * Sec. 5. AS 15.13.070(a) is amended to read:

12 (a) A person or group, including but not limited to all political committees, businesses,
13 corporations, and labor unions, may not contribute to or expend more than \$1,000 in a calendar
14 year, whether in money, goods, or services, or a combination of money, goods, and services,
15 on behalf of or in opposition to the competing candidates for each elective office. Political
16 parties and their subdivisions are not subject to the limitation prescribed in this subsection, but
17 they are subject to the reporting requirements prescribed by AS 15.13.040(b) and 15.13.110. This
18 chapter does not prohibit

19 (1) a candidate from contributing more than \$1,000 of the candidate's own money
20 to the candidate's own campaign; or

21 (2) individuals or groups, including but not limited to all political committees,
22 businesses, corporations, and labor unions, from contributing to or expending on behalf of a
23 ballot proposition or question more than \$1,000 a year; however, these contributions and
24 expenditures shall be reported in accordance with AS 15.13.040 and 15.13.110.

25 * Sec. 6. AS 15.13.070(c) is amended to read:

26 (c) An expenditure over \$100 may not be made in cash [OR BY CASH PAYMENT
27 UNLESS A WRITTEN RECEIPT IS OBTAINED AND FILED WITH THE COMMISSION].

28 * Sec. 7. AS 15.13.070(d) is amended to read:

29 (d) A contribution may not be made, and an expenditure may not be made or incurred,
30 directly or indirectly, anonymously, in a fictitious name, or by one person or group in the name
31 of another, to influence the election of a candidate in an election. A contribution made by a

1 person wishing to remain anonymous, and received by a candidate, campaign treasurer or deputy
2 campaign treasurer, may not be used or expended, but shall be returned within 10 days to the
3 donor, if the donor's identity is known, and if no donor is found, the contribution escheats to the
4 state if not donated by the candidate to the charity of the candidate's choice. A contribution
5 from a minor under the age of 18, other than a minor who has been emancipated or who
6 is married, is considered to have been made by a parent or guardian of the individual
7 under the age of 18, and shall be counted toward the contribution limit established by this
8 section.

9 * Sec. 8. AS 15.13.070 is amended by adding new subsections to read:

10 (i) A candidate or a group controlled by a candidate may not make a contribution to
11 another candidate, except that a candidate may make a contribution to another candidate from
12 the candidate's own personal funds.

13 (j) An individual or a group may not make a loan to a candidate or to a group, or
14 guarantee a loan made by another to a candidate or to a group. This subsection does not prohibit

15 (1) a contribution in the form of a loan by a candidate or by the spouse, parent,
16 or child of a candidate to the candidate's campaign;

17 (2) an extension of credit by a person made in the person's regular course of
18 business to a candidate or a group; or

19 (3) a loan by a regulated financial institution to a candidate or group on the same
20 terms as would apply to a loan by the financial institution to a similarly situated member of the
21 public.

22 (k) A person may not act as an intermediary to transmit contributions to a candidate or
23 group from a person or group. In this section, "intermediary" does not include a candidate, a
24 treasurer, deputy treasurer, or other campaign officer, a financial institution, or a person
25 voluntarily hosting a fund-raising event at the person's home.

26 (l) A member of the legislature running for any office, and a nonincumbent candidate for
27 the legislature, may not

28 (1) solicit or accept a contribution during a legislative session; or

29 (2) accept money from an event held during a legislative session if a substantial
30 purpose of the event is either to raise money on behalf of the member for campaign purposes or
31 to raise money for state legislative political purposes.

(m) A municipality or a school district, or an officer or employee of a municipality or a school district, acting in an official capacity, may not make a contribution to a candidate or to a group.

* Sec. 9. AS 15.13 is amended by adding new sections to read:

Sec. 15.13.072. PERSONAL USE PROHIBITED. A candidate for public office may not use campaign funds for personal purposes, convert campaign funds into personal income, or convert goods purchased with campaign funds for personal use.

Sec. 15.13.074. DISBURSEMENT OF CAMPAIGN ACCOUNTS. (a) If a candidate for public office or a group has unexpended and unobligated funds after the date of the election, the candidate or group shall, no later than January 15 of the year following the election,

(1) transfer the funds to a new account for a future election campaign;

(2) donate the funds to an organization that qualifies as a charitable organization under 26 U.S.C. 501(c), or to the state or a municipality;

(3) return the funds on a pro rata basis to the contributors to the candidate or group; or

(4) transfer the funds to a legislative office account for expenditures qualifying as business expenses under 26 U.S.C. 162.

(b) In addition to the uses listed in (a) of this section, a candidate may, no later than January 15 of the year following the election, use unexpended and unobligated funds remaining after the election to repay the candidate's contributions to the candidate's campaign.

(c) Equipment owned by a candidate or group shall, no later than January 15 of the year following the election, be disposed of as provided in (a)(1) and (2). If the equipment was purchased solely with funds provided by a candidate personally, the candidate may convert the equipment to the candidate's personal use.

(d) A candidate or group that transfers campaign funds to an account for a future election under (a)(1) of this section in the year following the election shall file an annual report with the commission under AS 15.13.110(a)(4), even if the candidate or group makes no expenditures or receives no contributions during that year.

(e) Funds transferred to a new account under (a)(1) of this section may, even after the transfer, be disbursed as provided in (a) and (b) of this section. Equipment transferred to a new account under (c) of this section may, even after the transfer, be distributed as provided by that

subsection.

(f) Candidates and groups shall close each campaign account no later than January 15 of the year following the year of the election.

(g) This section does not apply to a group that is organized to influence elections on an ongoing basis.

Sec. 15.13.076. RESPONSIBILITY FOR VIOLATIONS. A candidate is responsible for violations of this chapter by officers of the candidate's campaign committee, and the head of a group is responsible for violations of this chapter by other officers of a group. Penalties assessed against a candidate's campaign committee or against a group may be assessed directly against the candidate or the head of the group.

Sec. 15.13.078. MUNICIPAL SPENDING PROHIBITED. (a) An officer or employee of a state agency, a municipality, or a school district acting in an official capacity may not expend state funds or municipal or school district funds, or authorize the expenditure of state funds or municipal or school district funds, to influence the outcome of an election for a public office or on a ballot proposition.

(b) This section does not prohibit the expenditure of state funds or municipal or school district funds to provide to the public neutral information regarding the dates of an election and the candidates and ballot propositions appearing on the ballot.

* Sec. 10. AS 15.13.120(d) is amended to read:

(d) A person who believes a violation of this chapter has occurred may file a complaint with the commission. The complaint must include a statement, made under oath, that the factual statements in the complaint are true, to the best of the complainant's knowledge.

If the commission determines there is substantial reason to believe that a violation has occurred, it shall expeditiously make an investigation, which may also include an investigation of reports and statements filed by the complainant if the complainant is a candidate, of the matter complained of. When, in the judgment of the commission, after affording due notice and an opportunity for a hearing, a person has engaged or is about to engage in any acts or practices which constitute or will constitute a violation of a provision of this chapter, or a regulation or order issued under it, it shall promptly report the information to the attorney general for appropriate action. The commission shall report its determination and recommendation to the person who filed the complaint with the commission within 45 [60] days of receiving the

1 complaint unless circumstances require additional time to make an adequate investigation. The
2 finding of the commission may be appealed to the superior court.

3 * Sec. 11. AS 15.13.120 is amended by adding new subsections to read:

4 (i) Proceedings of the commission relating to complaints before it under this section are
5 confidential until the commission determines that there is probable cause to believe that a
6 violation of this chapter has occurred. The complaint and all documents produced or disclosed
7 as a result of the commission's investigation are confidential and not subject to inspection by the
8 public. All meetings of the commission relating to the complaint are closed to the public before
9 the determination of probable cause is made. The confidentiality provisions of this subsection
10 may be waived by the subject of the complaint.

11 (j) Except as provided in (i) of this section, meetings of the commission relating to a
12 complaint are governed by AS 44.62.310 - 44.62.312 (Open Meetings Act), and records in the
13 possession of the commission relating to the complaint are subject to AS 09.25.110 - 09.25.125.

14 * Sec. 12. AS 15.13.130 is amended by adding new paragraphs to read:

18 attendance area established under AS 14.08;

19 (10) "state agency" means a department, agency, instrumentality, or corporate
20 authority of the state, whether in the executive, legislative, or judicial branch, and includes the
21 University of Alaska.

22 * Sec. 13. AS 24.60.030(f) and 24.60.030(g) are repealed.
