PETITION

WHEREAS The community of Butte, Alaska does not have a full service Post Office where post office boxes may be rented for ordinary mail...

Because Butte, Alaska having a general population between the Knik River bridge and the Matanuska River bridge does not have its own zip code...

Because there are no known outdoor, public, all weather, mail boxes for ordinary outgoing mail in the general area known as Butte, Alaska. Because outside rural delivery, private mail boxes along side the highway (Mile 12.6/Old Glenn Highway) at Butte, Alaska are usually hit by snow plows and/or covered over by snow from snowplows each winter causing a serious traffic hazard to manual laborers who must shovel the snow off them...

Because of the odd "banker's hours" of Butte, Alaska's "Post Office" during formal service given to the general public, and because of the outstanding "volunteer" service given by the postal workers, there, often during "closed" hours...

We Alaskans hereby petition and request that Butte, Alaska be given full general delivery postal status with a complete zip code and (a) new postmarking cancellation rubber stamp(s).

### MEMORANDUM

TO: Senator Steve Frank  
Chair, Senate C & R A Committee

FROM: Senator Jay Kerttula  
Co-Chair, Senate Finance Committee 

SUBJECT: SR 10, Butte Post Office

DATE: March 24, 1992

I would appreciate it if you would schedule SR 10 for a hearing.

This resolution is in response to a petition from residents of Butte which is presently within Palmer zip code. The citizens are requesting full postal service for their community. SR 10 requests the U. S. Postal Service to provide this service.

Thank you for your consideration of this request.
