19 chapter, or registered under this chapter as a vendor, may not purchase a pull-tab from a pull-tab  
20 series manufactured, distributed, or sold by the permittee, licensee, or registered vendor.

21 (i) A permittee, operator, or registered vendor may not turn over a prize of \$50 or more  
22 to a person with a pull-tab card entitling the person to that prize unless the person signs a receipt  
23 for the prize and returns the receipt to the permittee, operator, or vendor. The pull-tab card  
24 entitling the person to the prize may be signed as the receipt.

25 (j) A permittee, operator, or registered vendor may sell pull-tabs only at a fixed location,  
26 and may not sell pull-tabs from a cart, vehicle, or similar location that is capable of mobility.  
27 Pull-tab sales may be made only when the person purchasing the pull-tab is physically present  
28 at the sale location.

29 (k) A permittee, operator, or registered vendor may sell pull-tabs through a pull-tab ticket  
30 dispensing machine.

31 \* Sec. 30. AS 05.15 is amended by adding a new section to article 2 to read:

1           Sec. 05.15.188. PULL-TAB SALES BY VENDORS ON BEHALF OF PERMITTEES  
2 AND OPERATORS; VENDOR REGISTRATION. (a) A permittee or operator may contract  
3 with a vendor to sell pull-tabs on behalf of the permittee or operator, if the permittee or operator  
4 first registers the vendor with the department by applying for registration on a form prescribed  
5 by the department and by submitting the registration fee of \$50 for each location at which the  
6 vendor will sell pull-tabs.

7           (b) The department shall approve or disapprove an initial vendor registration request  
8 within 30 working days of receipt of the registration form from a permittee or operator.

9           (c) Upon approval of the vendor registration, the department shall issue an endorsement  
10 to the permittee's permit or the operator's license that authorizes the conduct of pull-tab sales at  
11 that vendor location.

12           (d) The endorsement issued under (c) of this section is an extension of the permittee's  
13 or operator's privilege under AS 05.15.100 to conduct pull-tab sales in this state. A vendor may  
14 not sell a pull-tab series until a copy of the permit or license containing the endorsement for the  
15 new vendor location has been posted by the permittee or operator in the registered vendor  
16 establishment. The endorsed permit or license must be clearly visible to the gaming public.

17           (e) A separate endorsement shall be issued for each vendor location. The permittee or  
18 operator shall inform the department when a vendor with whom the permittee or operator is  
19 contracting changes the physical location at which pull-tabs are sold, and shall return to the  
20 department all copies of a permit or license endorsed to a vendor that is no longer selling pull-  
21 tabs on behalf of the permittee or operator. Failure to inform the department of a change in  
22 vendor location, or to return the endorsed copies of a permit or license to the department after  
23 a vendor change, may constitute grounds for the suspension or revocation of a permittee's permit  
24 or an operator's license.

25           (f) At the time that a permittee or operator annually renews its permit or license, it shall  
26 also renew the registration of all locations where a vendor is selling pull-tabs on the permittee's  
27 or operator's behalf and shall pay a registration fee of \$50 for each vendor location.

28           (g) A permittee or operator that uses a vendor to sell pull-tabs on its behalf shall enter  
29 into a written contract with that vendor. The department may inspect this contract. If the  
30 contract contains provisions that violate this chapter or the regulations adopted under it, the  
31 department may declare the contract void, and may suspend or revoke the registration of the

1 vendor and the license of the operator or the permit of the permittee.

2 (h) Except as provided in AS 05.15.185, a person, other than a permittee's member-in-  
3 charge or an operator, may not directly supply a pull-tab series to a registered vendor for sale  
4 by that vendor on behalf of the permittee or operator.

5 (i) If a permittee or operator contracts with a vendor under (a) of this section, the  
6 contract must provide that the permittee or operator shall receive no less than 70 percent of the  
7 ideal net.

8 (j) Except as provided in AS 05.15.185(3)(A), an amount equal to the ideal net less the  
9 compensation owed to the vendor shall be paid by the vendor to the member in charge, operator,  
10 or distributor upon delivery of a pull-tab series to the vendor for sale. The amount required to  
11 be paid by the vendor shall be paid by check or, if paid by other means, shall be deposited  
12 directly into the gaming checking account of the permittee or operator.

13 (k) All money paid to a registered vendor under this section by a permittee or operator  
14 shall be paid by check only, and the check may not be drawn in a manner that the payee is not  
15 identified.

16 (l) The department may not issue a vendor registration for a person who has been  
17 convicted of a felony, a crime involving theft or dishonesty, or a violation of a municipal, state,  
18 or federal gambling law, or who employs in any capacity involving gaming activity a person who  
19 has been convicted of a crime described in this subsection.

20 (m) A registered vendor may not employ a person in any capacity involving gaming

## FISCAL NOTE ATTACHMENT - C S S S S B 6

### EXPENDITURES AND REVENUES

This program was transferred from the Department of Revenue to the Department of Commerce and Economic Development effective July 1, 1989 through Executive Order #74. The total number of employees who transferred with the program was five: one auditor and one investigator located in Anchorage, one auditor, one tax examiner and one clerk typist located in Juneau. Since that time, the following new positions have been filled: a Gaming Program Manager located in Juneau, one investigator located in Fairbanks, a Chief of Gaming Compliance located in Anchorage, and a Licensing Examiner located in Juneau.

The bill would authorize the licensing and regulating of pull-tab vendors, authorize sales of pull-tabs from one distributor to another distributor, require the permittee and operator provide notification prior to changing the location(s) of gaming activities, amending the powers of the department to suspend or revoke permits or licenses, place restrictions on who may participate as a player of pull-tabs, authorize the department to issue orders prohibiting violations, provisions relating to making false statements in license and permit applications, amend the current prize awards limitation, specify when the pull-tab tax must be collected and who may distribute pull-tabs.

Charitable gaming activity in the state has rapidly grown beyond the capacity of the current staff especially in the area of audits and investigations. Presently, the gaming program has only two investigators and is woefully inadequate given the number of permittees and the geographical size of the state. While the two auditors may conduct desk audits at their workstations and obtain documentation by way of correspondence, the number of audits that can be accomplished during the year is limited by the number of permittees, operators, and distributors. We are, therefore, submitting a fiscal note requesting funding for an additional investigator and auditor. Also contained in the fiscal note is a request for funding of a licensing examiner and a records and licensing supervisor to oversee the licensing staff. Given the number of permittees, and the number that would use vendor locations, an additional licensing examiner is necessary if the vendor endorsements are to be issued in a timely manner.

The \$315.0 required includes \$10.0 in travel, to fund the cost of widespread travel to various communities throughout the state, as well as \$44.0 to purchase the necessary workstations, computers and softwars. The required \$7.0 for equipment for FY 93 through FY 97 represents computer upgrades and programming. This is based on the assumption that charitable gaming will steadily continue to increase as more and more charitable organizations search for other sources of revenue.

With the additional auditor and investigator positions, we estimate that \$75.0 in additional revenue based on the 1% net proceeds fee will be generated in addition to \$500,000 generated by the \$100 vendor endorsement fee. We estimate that 5,000 such vendor endorsements will be applied for. Additionally, with the amount of travel that will be required to effectively administer this program, the auditors and investigators can also use the opportunity to educate the licensees and to help them strive toward voluntary compliance.

## FISCAL NOTE ATTACHMENT - CSSSSB 6

### EXPENDITURES AND REVENUES

This program was transferred from the Department of Revenue to the Department of Commerce and Economic Development effective July 1, 1989 through Executive Order #74. The total number of employees that transferred with the program was five: one auditor and one investigator located in Anchorage, one auditor, one tax examiner and one clerk typist located in Juneau. Since that time, the following new positions have been filled: a Gaming Program Manager located in Juneau, one investigator located in Fairbanks, a Chief of Gaming Compliance located in Anchorage and a Licensing Examiner located in Juneau.

This bill would authorize the licensing and regulating of pull-tab vendors, the issuance of multiple-beneficiary permits, provide a minimum percentage of ideal net of pull-tabs that is required to be paid to a permittee that contracts with an operator, specifies those individuals excluded from participation with a felony conviction, a crime involving theft or dishonesty, or a violation of a municipal, state or federal gambling law, changes the minimum percentage of adjusted gross receipts that must be paid to a permittee who contracts with an operator, removes the prohibition of an operator receiving compensation based on a percentage, increases the allowable total prize awards that a permittee may award from \$1,000,000 to \$1,500,000, places a fixed price on the amount charged for a bingo card, increases the pull-tab tax collected from 3% of ideal net to 1% of gross receipts, allows for delivery of pull-tabs directly to a vendor location when certain restrictions are met, restricts vendor sales of pull-tabs to a fixed location, provides a licensing fee of \$50 for vendor endorsements, provides a minimum percentage of the ideal net that must be paid to a permittee or operator that contracts with a vendor, allows the department to issued orders prohibiting violations.

Charitable gaming activity in the state has rapidly grown beyond the capacity of the current staff, especially in the area of audits and investigations. Presently, the gaming program has only two investigators and is woefully inadequate given the number of permittees and the geographical size of the state. While the two auditors may conduct desk audits at their work station and obtain documentation by way of correspondence, the number of audits that can be accomplished during the year is limited by the number of permittees, operators, and distributors. We are, therefore, submitting a fiscal note requesting funding for an additional investigator and auditor. Also contained in the fiscal note is a request for funding of a licensing examiner and a records and licensing supervisor to oversee the licensing staff. Given the number of permittees, and the number that would use vendor locations, an additional licensing examiner is necessary if the vendor endorsements are to be issued in a timely manner.

The \$301.0 required includes \$10.0 in travel, to fund the cost of widespread travel to various communities throughout the state, as well as \$40.0 to purchase the necessary workstations, computers and software. The required \$5.0 for equipment for FY 93 through FY 97 represents computer upgrades and programming. This is based on the assumption that charitable gaming will steadily continue to increase as more and more charitable organizations search for other sources of revenue.

Because of the termination of vendor sales by the Attorney General's opinion of October 24, 1990 and the subsequent denial of permits for vendor locations, the amount of pull-tab sales and the amount of pull-tab tax collected have dramatically decreased. In FY 90, the total tax collected was \$1,398,300. For FY 91, to date (May 2, 1990), the tax collected is only \$958,520. Before the loss of vendor sales, the anticipated revenue from the 3% tax for FY 92 was \$1,530,000. If legislation authorizing vendors is not passed this session, the anticipated revenue would decrease to an estimated \$800,000 to \$850,000. Even changing the amount and tax base from 3% of ideal net to 1% of gross sales will not substantially increase the amount of tax collected unless vendor locations are authorized.

In changing the amount and tax base from 3% of ideal net to 1% of gross sales, we estimate the amount of pull-tab tax collected for FY 92 will be \$993,000 (based on 1989 financial records). With the additional auditor and investigator positions, we estimate that \$75,000 in additional revenue based on the 1% net proceeds fee will be generated in addition to \$250,000 generated by the \$50 vendor endorsement fee. We estimate that 5,000 such vendor endorsements will be applied for. Further, with the amount of travel that will be required to effectively administer this program, the auditors and investigators can also use the opportunity to educate the licensees and to help them strive toward voluntary compliance with the gaming laws.
