## CONTINUATION of FISCAL NOTE ANALYSIS

For Bill/Resolution No. SB 105

This bill amends AS 11.46.484 by adding a new subsection that imposes a mandatory minimum sentence for joyriding of a term of imprisonment of not less than 72 hours, a fine of not less than \$250, and restitution. These sentencing provisions will not have a fiscal impact on the Department of Law. It should be noted that some additional prosecutor time will be needed because defendants can be expected to offer a more vigorous defense in the face of a mandatory jail term, in some first offense cases where jail time is not currently imposed. Because this bill amends a sentencing provision the department recommends that it be located in Title 12 rather than Title 11. Finally, to the extent that additional imprisonment occurs, there will be a fiscal impact for the Department of Corrections.

MEMORANDUM

January 30, 1991

**SUBJECT:** Amending the penalty for misdemeanor  
joyriding (W. O. 7LS0590A)

**TO:** Senator Lloyd Jones

**FROM:** John B. Gaguine *JBG*  
Legislative Counsel

The legislation imposes a mandatory minimum sentence for a first conviction for the offense of misdemeanor joyriding ("criminal mischief in the third degree") involving the taking of a propelled vehicle in which the damage or expenses are less than \$500. A first conviction for the offense is defined as a class A misdemeanor, with normal maximum penalties of a \$5000 fine and one year in jail. Under this bill, one convicted would face a mandatory sentence of

- imprisonment for a minimum of 72 hours;
- a minimum fine of \$250; and
- payment of restitution as the court may order.

The court would be precluded from suspending imposition or execution of sentence and would be precluded from admitting the convicted defendant to probation unless the minimum sentence was served.

In essence, the penalty incorporates the content of the penalty for first offense Driving While Intoxicated (AS 28.35.030(c)).

Although this bill suggests a "go to jail" approach, under AS 33.30.151 - 33.30.161, the mandatory sentence required by the bill may be served in a correctional restitution center.

Senator Lloyd Jones

January 30, 1991

Page 2

The penalty for felony joyriding, involving damage to the vehicle of \$500 or more--a class C felony--is unchanged: a maximum fine of \$50,000 and maximum term of imprisonment of five years.

Department of Law  
Proposed Amendment to HB 123/SB 105  
April 2, 1991

Whenever possible, sentencing provisions appear in AS 12.55, rather than as part of the statute defining the criminal offense. In accordance with this policy, this bill should amend AS 12.55.135 ("sentences of imprisonment for misdemeanors"), rather than AS 11.46.484.

It could do so by moving existing AS 12.55.135(e) to (f) and adding a new (e), which would read:

A defendant convicted of criminal mischief in the third degree in violation of AS 11.46.484(a)(2), whose conviction is not a felony, shall be sentenced to a minimum term of imprisonment of not less than 72 hours, payment of a fine of not less than \$250, and restitution.

Senator Lloyd Jones

Dear Senator Jones:

A petition has been circulated by Petersburg residents calling for the crime of Criminal Mischief in the Third Degree (a Class A misdemeanor) for vehicle theft be increased to a felony offense category.

The Petersburg Police Chief has advised the City Manager that the District Attorney's office has been reluctant to charge persons stealing cars in Petersburg with Theft in the Second Degree, a C Felony, because one of the elements of that offense is that the person taking the vehicle has the intent to deprive the owner of the property indefinitely. In that Petersburg is on an island, the District Attorney's office feels that proving that element would be difficult or impossible and have elected to charge under the criminal Mischief statutes. Unless there is damage done over \$500 to the vehicle taken, Criminal Mischief statutes require that the person be charged with Criminal Mischief in the Third Degree, an A Misdemeanor.

It seems somewhat incongruent that a person in Petersburg can enter a home and take a \$600 VCR and be later apprehended and charged with Burglary in the Second Degree, a C Felony, and that another person can take a \$10,000 vehicle from the street or a driveway and when apprehended only be charged with Criminal Mischief in the Third Degree, an A Misdemeanor.

During 1987, registered owners reported ten vehicles stolen and the investigations into these thefts showed the registered owners suffered a property damage loss totaling \$481.30. These losses did not include losses such as inconvenience to the owners such as towing, etc. So far in 1988, the police department has had three vehicles reported stolen and property damage has amounted to \$15,771.72 which should result in one to two felony charges due to the excessive damages.

Most other states classify auto theft as a felony and with the increasing cost of vehicles and the inconvenience of such a loss, it seems appropriate that the State of Alaska increase the penalty and level of this offense so that it is consistent with the theft of other valuable property.

Sincerely,

*Patricia Curtis*

Dear Senator Jones:

Enclosed please find copies of the petition that has been circulating in Petersburg. The citizens of Petersburg would like the Legislature to change the Laws regarding Stolen Vehicles. We feel that a person who steals a vehicle, be it an automobile, boat, or airplane, should be prosecuted as having committed a Felony, rather than Criminal Mischief. The fact that we live on an island is immaterial, and should not make a difference in the level of punishment for stealing a vehicle.

Only you, as our elected representative, can author a Bill to change the Law. So we are formally requesting you to do this.

If I can be of any assistance to you in doing this, please feel free to contact me.

We still have petitions out, in Petersburg, but it appears that we have 100% of the adult population in favor of the above change; AND we also have the endorsement of the Petersburg City Council.

Respectfully yours,

  
Gayle M. Eastwood

We, the citizens of Petersburg, feel the need for a change from "Joy-riding" to Grand Theft Auto. if a person steals a vehicle. We feel that it is immaterial if we live on an island or not. It is a case of taken someone's property without their permission and should receive the penalty for their actions. If the owners leave their key in the ignition, that is between their insurance company and themselves. The thief should be prosecuted as a car thief.

We, the citizens of Petersburg, feel the need for a change from "Joy-riding" to Grand Theft Auto, if a person steals a vehicle. We feel that it is immaterial if we live on an island or not. It is a case of taken someone's property without their permission and should receive the penalty for their actions. If the owners leave their key in the ignition, that is between their insurance company and themselves. The thief should be prosecuted as a car thief.
