RE: 1992 COMMEMORATIVE REGISTRATION PLATES

I am introducing legislation to allow Alaskan motorists to display "1992" commemorative registration plates on the front of their vehicles. Unfortunately, even though supportive, the Commissioner of Public Safety does not have the statutory authority to allow anything but the standard registration plates to be displayed.

The Yukon Territories are allowing the "92 celebration" plates to be used and they are most impressive. It is proving to be a very efficient, and cost effective method of promotion.

The bill will allow a one time exception through the end of 1992 at which time standard plates will once again be required. It is important to also note this waiver does not authorize removal of standard plates for any reason other than the display of the "1992" plates.

Your support for this 1992 celebration event is greatly appreciated.

SB-136 An Act relating to display of Alaska Highway commemorative plates; and providing for an effective date.

Legislation amends existing law (AS 28.10.171) to permit Alaskan motorists to display the "1992" commemorative plate relative to the 50th Anniversary of the Alaska Highway jointly celebrated by Alaska and the Yukon Territory. Current state law does not permit display of any other plate except Alaska license plates and does not provide the Commissioner of Public Safety with authority to permit commemorative plates.

Plates are purchased for \$10 and may be displayed ONLY on the front of the vehicle. Proceeds go to the Great Alaska Highway Society to help support highway anniversary events.

All plates may be displayed until January 1, 1992.

There is a zero fiscal note.
