 When the existing Protection of the Elderly statute was passed in 1983, no funding was provided. In the late 70's, the department had also been given statutory responsibility for licensing adult facilities. Again no funds were provided for licensing and no funds were provided for upgrading the care of dependent adults residing in existing facilities, then called, boarding homes.
 In 1983, the department obtained funds for residential and foster care for dependent adults. Those funds became the Adult Services Component of the Purchased Services BRU and are being transferred from the Division of Family and Youth Services, DHSS, to the Division of Senior Services, Department of Administration to support the Protection of Vulnerable Adults Legislation.

Two Adult Protective Services (APS) specialists are being transferred from the Division of Family and Youth Services (DFYS) Southcentral Region to the new Division of Senior Services to support the Protection of Vulnerable Adults Legislation.

When the existing protection of the Elderly statute was passed in 1983, no funding was provided, other than 5.0 for brochures. The Adult Protective Services Specialist positions in Anchorage were created from child protective services funds. Subsequent efforts to expand funding for a credible adult protective services program have not been fruitful. The Task Force that reviewed APS within DFYS recommended it be consolidated with other senior services where it is believed the program may be better supported and developed.

WALTER J. HICKEL
GOVERNOR

P. O. Box 110001
Juneau, Alaska 99811-0001

STATE OF ALASKA
OFFICE OF THE GOVERNOR
JUNEAU

January 14, 1994

*The Honorable Ramona Barnes
Speaker of the House
Alaska State Legislature
State Capitol
Juneau, AK 99801-1182*

Dear Speaker Barnes:

Under the authority of art. III, sec. 18, of the Alaska Constitution, I am transmitting a bill relating to services for and protection of vulnerable adults. This bill will place responsibility for the delivery of services to vulnerable adults within the Department of Administration. This bill also extends the scope of existing adult protective services to include all vulnerable adults who are in need of such services.

Section 1 of the bill clarifies the circumstances that give rise to a duty to make a report of a vulnerable adult. The circumstances are abandonment, exploitation, abuse, neglect, or self-neglect. Under this section, the report will be made to the Department of Administration. This section also deletes the existing liability immunity provisions, which are later reestablished in sec. 6 of the bill.

Section 2 sets out the duties of the Department of Administration regarding services and protection for vulnerable adults. The duties include establishing a central information and referral service for vulnerable adults, establishing criteria and procedures for the delivery of community-based services, designation of local service providers as department designees to meet local service needs, and adoption of regulations to implement the program.

Section 2 also sets out provisions regarding certain reports of abandonment, exploitation, abuse, neglect, or self-neglect, and regarding the action that is to be taken on all reports. The investigation required to be done by the Department of Administration includes a face-to-face interview and a written report of findings. Section 2 also provides for delivery of protective services and assures that, to the extent practicable, the services will be delivered in a timely and culturally relevant manner.

The Honorable Ramona Barnes
January 14, 1994
Page 2

Section 2 provides authorization for family members or friends to be surrogate decision makers for a vulnerable adult who is in need of protective services but is unable to consent to services. This provision allows for the delivery of necessary protective services without the necessity of seeking an emergency guardianship in adult abuse cases. Section 2 also sets out the procedures available for providing protective services when court action to protect the adult is necessary.

Section 3 repeals and reenacts an existing statute to provide for monitoring of vulnerable adults who are receiving ongoing protective services. Section 4 addresses the confidentiality of reports made under these provisions; sec. 5 requires that regulations being adopted by the Department of Administration be provided to the Older Alaskans Commission; and sec. 6 provides for immunity from liability for individuals who make reports of vulnerable adults.

Section 7 sets out, in a more appropriate location, definitions for terms used in AS 47.24. The existing definition section is repealed in sec. 8. Section 8 of the bill also repeals existing statutes that address reports of abuse of elderly and disabled persons to the Department of Health and Social Services.

Section 11 provides a July 1, 1994 effective date for the statutory changes made by the bill.

If this bill is enacted into law, the revisor of statutes will need to make appropriate changes to the existing article structure of AS 47.24.

I urge your support of this important legislation.

Sincerely,

A handwritten signature in cursive script, reading "Walter J. Hickel".

Walter J. Hickel
