STATE OF ALASKA
OFFICE OF THE GOVERNOR
JUNEAU

January 14, 1994

*The Honorable Ramona L. Barnes
Speaker of the House
Alaska State Legislature
State Capitol
Juneau, AK 99801-1182*

Dear Speaker Barnes:

Under the authority of art. III, sec. 18, of the Alaska Constitution, I am transmitting a bill relating to the Older Alaskans Commission, the Alaska Pioneers' Homes Advisory Board, and certain programs and services for older Alaskans.

The bill changes the name of the Older Alaskans Commission to the Alaska Commission on Aging, decreases the number of required yearly commission meetings, and extends the termination date of the commission. The bill also makes changes in the allocation of functions of the commission, the commission's executive director, and the commissioner of administration. For example, the commission, with the approval of the commissioner of administration, will set policy for the administration of federal programs under the federal Older Americans Act. The executive director, with the commissioner of administration's approval, will administer those programs. The executive director for the commission also will be responsible for the formulation and presentation to the commission of the comprehensive statewide plan that identifies the concerns and needs of older Alaskans. The commission will be responsible for approving a final plan.

The bill also makes certain changes in the composition and duties of the Alaska Pioneers' Homes Advisory Board. The board will be increased from seven to eight members; the new member will be the chairperson of the Alaska Commission on Aging. (Under existing law, the chair of the Alaska Pioneers' Homes Advisory Board is a member of the Older Alaskans Commission.) The bill also decreases the number of board meetings that must be held during a year.

Additionally, the Department of Administration plans to administratively establish a division of senior services to better coordinate services to older Alaskans. The Alaska Commission on Aging and the Alaska Pioneers' Homes Advisory Board would be located administratively in that new division. The new division would replace the

existing division of pioneers' benefits and would assume responsibility for activities currently assigned to that division, which include administration of the pioneers' homes and the longevity bonus program.

The enactment of this bill into law, along with the administrative creation of the new division, will assure improved, coordinated efforts to address the varied problems confronting older Alaskans.

Sincerely,

A handwritten signature in cursive script, reading "Walter J. Hickel". The signature is written in dark ink and is positioned above the printed name and title.
