Dear Senator Zharoff:

At its meeting last week, the Southeast Island School District Board of Education reviewed SB 92, your legislation which would allow advisory questions to be placed upon an REAA ballot at the request of the School Board. The Board is in support of this legislation, as the Board believes there needs to be a legal mechanism to permit such advisory votes.

Sincerely,

SB 92 Sponsor Statement-Sen. Zharoff

This bill adds a provision in AS 14.08.071 whereby the communities in REAA school areas are able to voice their positions on education and education related issues of concern to them via an advisory vote on the regular school ballot. REAA schools are spread over a wide area, it is often difficult for members of the community to attend board meetings and make their feelings known. This bill allows the the school board to adopt a resolution requesting that an advisory question be on the next ballot. They then get a certified count from the communities regarding each communities stance on this question.

The Department of Education supports this bill. I believe it is a non-controversial bill and I would appreciate the committee's affirmative action.

Position Statement: Explain briefly what the bill does, its impact and Department's position, i.e. a) support, b) do not support, c) neutral or d) oppose

SB92 allows REAA school boards to place advisory questions, on the next election ballot. The Department of Education supports this bill because it provides an avenue for citizens to inform REAA school boards of their opinion on relevant educational issues. It therefore, keeps school board members more in touch with the priorities of their constituents.
