SPONSOR STATEMENT

House Bill 327: An Act extending the termination date of the Board of Veterinary Examiners; and providing for an effective date.

This bill will amend Alaska Statute 08.03.010 (c)(24) in order to extend the 'sunset date' of the State Board of Veterinary Examiners until June 30th, 1997. The 'sunset date' currently on the books is June 30th of this year, which means the Board is only a few months from ceasing to exist legally. At the request of several members of the veterinary medical community, I introduced HB 327 to extend the life of the Board of Veterinary Examiners for four more years.

Please note that the Division of Occupational Licensing has indicated that the Board operates from revenues generated through professional licensing fees, and not monies from the General Fund. I believe that the Board of Veterinary Examiners is necessary to support the health, safety, and welfare of the people of Alaska (and their pets), and I hope to see HB 327 speedily passed.
