SPONSOR STATEMENT

HB 71

"An Act relating to the involuntary dissolution of Native corporations; and providing for an effective date."

Representative Foster

This bill would provide a period of time within which ANCSA corporations that have been involuntarily dissolved because of their failure to file a biennial report could be reinstated.

Corporations affected by this bill would be required to pay appropriate fees as they would normally had they not been delinquent, and, in addition, would also pay any penalties allowable under statute before reinstatement.

HB 71: "An Act relating to the involuntary dissolution of Native corporations; and providing for an effective date."

The Department of Commerce and Economic Development, Division of Banking, Securities and Corporations, has no objection to the proposed legislation.

The department supports this legislation in recognition that corporate status for Native villages and regions is specifically called for in the terms and conditions of the Alaska Native Claims Settlement Act. The department acknowledges the unique inalienability of the ownership of Native Alaskans as shareholders in Native corporations.

The department concurs that corporations affected by HB 71 should pay the appropriate fees that would have been effective had they not allowed themselves to become delinquent, plus any penalties allowable under AS 10.06.633(e).

The department encourages the involvement of the regional corporations and other Native associations, such as the Alaskan Federation of Natives, in assisting the smaller village corporations in meeting their filing requirements.

Re: Nunapiglluraq, Inc. / Reinstatement of Dissolved ANCSA
Corporations

Dear Rep. Foster:

I am writing on behalf of Nunapiglluraq Corporation of Hamilton regarding the reintroduction of legislation that would provide a "window" for the reinstatement of ANCSA corporations that have been involuntarily dissolved on account of their failure to file a biennial report. You introduced similar legislation in the form of HB435 last year but it failed to gain passage during the press of the legislature's closing hours of business. Nunapiglluraq is requesting that you propose similar legislation in the House this term. Thank you once again for your past and future efforts on behalf of Nunapiglluraq.

Very truly yours,
