ANALYSIS: (Attach a separate page if necessary)

Passage of this bill would allow funds from cost recovery at a contracted state hatchery to be used for the same purposes that funds from cost recovery at ordinary PNP hatcheries may be used. Under current AS 16.10.480(d), contractors can only use funds generated from cost recovery at a contracted hatchery for operating that hatchery. If insufficient operating funds are generated at a contracted hatchery, the contractor may use funds from one of its own hatcheries to support the state-owned hatchery, but could not use funds from another contracted facility to support the first.
