Subject: Senate Bill 294; relating to canned salmon classics

The Petersburg Chamber of Commerce last year introduced a "Canned Salmon Lottery" contest to help promote the seafood industry. They thought it appropriate because seafood catching and processing is such a vital part of the Petersburg economy. Due to the statutory 50 cent per ticket limitation for this game they were unable raise sufficient funds to make the program financially viable.

The chamber of commerce thought the small per ticket fee hindered sales and increased the overall operating costs. They would like to raise the cost of tickets to \$2.00. This legislation is needed to allow them to go forward.

Attached is a sponsor statement and back up from the Petersburg Chamber of Commerce. Please contact Terry Otness at extension 6550 for further information on this bill. I would appreciate it if you would schedule this bill promptly. Thank you.

Sponsor Statement

Senate Bill 294

I have introduced this legislation on behalf of the Petersburg Chamber of Commerce. The Petersburg Chamber of Commerce last year initiated a "Canned Salmon Lottery" contest to promote the seafood industry.

Due to the statutory 50 cent per ticket price limitation the chamber was unable raise sufficient funds to make the program self sustaining. The chamber of commerce thought the small ticket fee hindered ticket sales and increased the overall operating cost of the program. They would like to raise the cost to 2 dollars per ticket. To do this legislation is needed to allow them to go forward.

They intend to use funds from the program for chamber operations. With sufficient income the program will be used to fund a college scholarship for Petersburg High School graduates.

I would appreciate your favorable consideration of this bill.

Dear Senator Taylor:

Last year the Petersburg Chamber of Commerce introduced the first annual "*Canned Salmon Classic*". This special event allows individuals a chance to win cash prizes by purchasing tickets to guess what the actual canned salmon pack of the two Petersburg canneries would be. The person with the closest guess wins the grand prize and the next closest taking the second prize. There are winners every time.

We were fortunate to have Alaska Marine Lines, as our major sponsor in 1993. We also received additional support from Willamett Industries, Inc. and Icicle Seafoods, Inc. The generous contributions made by each of these firms greatly enhanced our program.

The main purpose of having the "*Canned Salmon Classic*" was to promote our community of Petersburg and to attract more attention to seafood since the seafood industry is a vital part of our local economy. At the same time the Chamber thought it would be great if we could also provide some scholarship money to graduating high school seniors as part of this event.

The "*Canned Salmon Classic*" was received with great enthusiasm and we are excited about the upcoming year.

One of the changes we would like to make for this year is to raise the ticket price from the current 50¢ to \$2.00. We felt the lower ticket price hindered sales and increased our overall operating cost.

Also, this year we plan to expand the "*Canned Salmon Classic*" to all the major communities in Southeast Alaska. All ten of the communities we

Canned Salmon Classic

have applied to have overwhelmingly given us their approval to participate in this event.

Our plan this year is to recruit youth groups to sell the tickets and in return they would receive a commission. This will provide these groups with another source to raise funds for their community programs.

One of the best events of the "*Canned Salmon Classic*" is the "*Seafood Fest*" in October when we announce the winners. This grand finale was held at the Sons of Norway hall in Petersburg. We decorated the hall in a seafood theme and had many booths that local merchants and residents used to give the public a tasty sample of their seafood products at very reasonable prices. We also had live music, kids games, door prizes and seafood recipes donated by ASMI were handed out.

We had over 300 people come to the "*Seafood Fest*" and we expect 700 to attend this year.

All of us here at the Petersburg Chamber of Commerce are very excited about the "*Canned Salmon Classic*" this year, as we know it will be even bigger and better.

Thank you for your assistance on this event and I hope you and your friends get a chance to join in on the fun.

Sincerely yours,

PETERSBURG Canning History:

Since the first cannery was built in 1900 and packed 32,750 cases of salmon, Petersburg has been a part of the Alaska fishing industry. For as long as there have been cannery workers and fishermen, wagers have been made on the number of cans that could be packed at each cannery in Alaska. Since the canned salmon pack was directly related to the numbers of fish harvested, fishermen, cannery workers and processor management had an equal chance at winning the prized pool of money at the end of the season.

The Petersburg Chamber of Commerce has opened the contest to everyone, with the introduction of the Petersburg Canned Salmon Classic.

HOW BIG IS THE CAN?

Although canneries may pack salmon in several sizes of cans, including custom packed product, all figures used to determine the total salmon pack for Petersburg are converted to one pound can equivalents. Canneries providing can pack information to the PCSC committee are: Petersburg Fisheries, Chatham Strait Seafoods and Nelbro Packing Company. Certified pack figures submitted to the PCSC committee are used to compute the final canning figures for Petersburg's Canned Salmon Classic.

THANK YOU

The PCSC committee thanks the staff and management of Iclide Seafoods Inc., Chatham Strait Seafoods and Nelbro Packing Co. for helping make the Petersburg Canned Salmon Classic possible.

Department of Revenue
Position Paper

SB-294 "An Act relating to canned salmon classics; and providing for an effective date."

SB-294 would expand the types of charitable gaming activities permitted under Alaska Statute 05.15 to include a canned salmon classic conducted by the Petersburg Chamber of Commerce. This canned salmon classic would allow for individuals to purchase an opportunity to guess how many cans of salmon will be canned in Petersburg during the summer fishing season. The person with the closest guess would win a prize.

The department believes that this legislation, in its current form, would have minimal impact on the administration of charitable gaming in Alaska.
