CSSB 92 Sponsor Statement - Sen. Zharoff

This bill adds a provision in AS 14.08.071 whereby the communities in REAA school areas are able to voice their position on education and education related issues of concern to them via an advisory vote on the regular school ballot. REAA schools are spread over a wide area, it is often difficult for members of the community to attend board meetings and make their feelings known. This bill allows the school board to adopt a resolution requesting that an advisory question be on the next ballot. They then get a certified count from the communities regarding each communities stance on this question.

The bill was amended in the Community and Regional Affairs Committee to specify the deadline for when the resolutions must be filed with the Division of Elections to accommodate the Division's time frame for preparing the ballot.

The Department of Education and the Division of Elections support this bill. I believe it is a non-controversial bill, and I would appreciate the committee's affirmative action.

Dear Senator Zharoff:

At its meeting last week, the Southeast Island School District Board of Education reviewed SB 92, your legislation which would allow advisory questions to be placed upon an REAA ballot at the request of the School Board. The Board is in support of this legislation, as the Board believes there needs to be a legal mechanism to permit such advisory votes.

Sincerely,

POSITION PAPER: DEPARTMENT OF EDUCATION

Division: Administrative Services

Bill Number: SB 92

Bill Title: An Act relating to an advisory vote during regional education attendance area school board elections; and providing for an effective date.

Sponsor: Senator Zharoff

Position Statement: Explain briefly what the bill does, its impact and Department's position, i.e. a) support, b) do not support, c) neutral or d) oppose

SB92 allows REAA school boards to place advisory questions, on the next election ballot. The Department of Education supports this bill because it provides an avenue for citizens to inform REAA school boards of their opinion on relevant educational issues. It therefore, keeps school board members more in touch with the priorities of their constituents.
