MEMORANDUM

April 29, 1994

SUBJECT: Alaska Constitution - Article II, section 13 (Single Subject Rule)(CSSB 362(L&C))

TO: Senator Robin Taylor

FROM: Michael F. Ford *M.F.*
Legislative Counsel

You have asked if the above-referenced bill, that contains changes to our laws on insurance, could include provisions amending various civil liability laws. It is our opinion that combining these two subjects would violate the constitutional prohibition against including more than one subject in a single bill. The purpose of the rule is to ". . . prevent the inclusion of incongruous and unrelated matter in the same bill in order to get support for it which the separate subjects might not separately command, and to guard against inadvertence, stealth, and fraud in legislation." Suber v. Alaska State Bond Committee, 414 P.2d 546 (Alaska 1966). The Alaska Supreme Court has construed this constitutional requirement and described the following standard:

All that is necessary is that the act should embrace some one general subject; and by this is meant, merely, that all matters treated of should fall under some one general idea, be so connected with or related to each other, either logically or in popular understanding, as to be part of, or germane to, one general subject. (State v. First Nat'l Bank of Anchorage, 660 P.2d 406 (Alaska 1982), Yute Air Alaska, Inc. v. McAlpine, 698 P.2d 1173 (Alaska 1985)) What constitutes one subject is broadly construed, and an act will not be set aside for failing to comply with the single subject rule "except where the violation is both substantial and plain." North Slope Borough v. Sohio Petroleum Corp., 585 P.2d 534, 545 (Alaska 1978).

Applying the above standard it is our opinion that insurance and civil liability are two distinct subject areas, and when combined do not meet the standard articulated by the Alaska Supreme Court, that each bill fall under one general idea, or general subject. Therefore to combine these subjects into one bill would violate Article II,

Sectional Analysis by the
Department of Commerce and Economic Development,
Division of Insurance

SMALL LOANS ACT, CONSUMER CREDIT INSURANCE

Sections 1 and 2 are amendments to coincide with the changes in consumer credit insurance in Sections 63 through 77.

Section 1. AS 06.20.260(a). Small Loans Act, Charges Prohibited, page 1.

Amends this section to use the term "consumer credit insurance" as defined in AS 21.57.160 (Sec. 77 of this bill).

Section 2. AS 06.20.287(a). Small Loans Act, Charges Prohibited, page 1.

Amends this section to use the term "consumer credit insurance". The term is defined in AS 21.57.160 (Sec. 77 of this bill).

DIRECTOR OF INSURANCE

Sections 3 through 12 include regulation of risk retention groups, authority to respond to a catastrophe, procedure on examination reports, procedures on applying for and not continuing a certificate of authority of an insurer, financial statements, and procedures on premium tax refunds and credit. Many of these changes are suggestions from the NAIC Accreditation Team visit in October 1992. Others are to provide authority and procedures in areas where none existed before.

Section 3. AS 21.03.010. Scope of Code, page 2.

Amends this section to explicitly extend the Scope of Code to include risk retention groups and purchasing groups as requested by the NAIC accreditation team.

Section 4. AS 21.06.080(e). General Powers, Duties, page 2.

This new subsection adds to the director's general powers and duties the ability to respond to a catastrophe.

Section 5. AS 21.06.150(g). Examination Reports, page 3.

The amendment to this subsection allows the director to close a hearing on an examination if the director finds that the closure is necessary to protect someone from unwarranted injury or is in the public interest.

Section 6. AS 21.09.110. Application for Certificate of Authority, page 3.

The amendment to this section removes the requirement that insurers applying for their Certificate of Authority (COA) submit specimen copies of their policy forms and rates with their COA application, and instead specifies that these policy forms and rates should be submitted under new sections AS 21.39.040(j) or 21.42.120(g).

Section 7. AS 21.09.110(b). Application for Certificate of Authority, page 4.

The addition of a new subsection requires that policy form and rate filings be submitted for approval under the appropriate statutes in Chapter 39 and 42 and that the filings may not be submitted with the application for certificate of authority.

Section 8. AS 21.09.130(b). Continuance, Termination, Reinstatement, and Amendment of Certificate, page 5.

The amendment to this subsection provides for a suspension of the certificate of authority instead of cancellation if the insurer fails to file the forms or pay the fee to continue the certificate of authority. This change is to prevent insurers from ending regulation by Alaska Division of Insurance when issues regarding insurance operations may still be outstanding. It provides a one year suspension period.

Section 9. AS 21.09.135. Voluntary Surrender of Certificate of Authority, page 5.

This is a new section which provides a process for an insurer to voluntarily surrender their certificate of authority from Alaska. To surrender the insurer must be in compliance with Alaska

Section 10. AS 21.09.200(f). Annual Statement, page 6.

The amendment to this subsection requires the filing of

annual financial statements with the National Association of Insurance Commissioners (NAIC) by all licensed insurers instead of just domestic insurers. Also provides that the filings must be on electronic media acceptable to the NAIC.

Section 11. AS 21.09.205(d). Quarterly Financial Statements, page 6.

This is a new subsection which requires that a licensed insurer file quarterly financial statements with the National Association of Insurance Commissioners (NAIC), on acceptable electronic media, and pay the applicable filing fee. Failure to comply will result in penalties.

Section 12. AS 21.09.210. Premium Tax, page 6.

The following new subsections discuss the procedures for obtaining a refund or credit for overpayment of premium taxes by an insurer.

Subsection (j) allows for the payment of a premium tax refund when an insurer discovers that it has made an overpayment due to an error in calculation, mistake of fact, or misinterpretation of law. It (1) limits the time in which the refund must be discovered to three years; (2) sets the minimum amount of a refund which can be requested at \$250; and (3) gives the director discretion in payment of a monetary refund or a premium tax credit.

Subsection (k) was written to avoid trafficking of the premium tax credit. It prohibits the transfer or carryover of the credit in reinsurance transactions or receiverships.

Subsection (l) defines a premium tax credit.

RISK RETENTION GROUPS, MATERIAL TRANSACTIONS, AND U.S. BRANCHES OF ALIEN INSURERS

Sections 13 through 15 add regulatory authority for three different areas of insurance regulation.

(1) AS 21.09.290 allows a risk retention group to be formed as a domestic insurer in Alaska consistent with the NAIC Model Risk Retention Act.

(2) AS 21.09.300 is being added to statute to require the filing of information on material asset transactions and material changes in ceded reinsurance transactions. Ceded reinsurance is the transfer of risk from an insurer to another insurer by contract, usually resulting in the sharing of claim liability, marketing expenses, etc. Ceded reinsurance contracts are negotiated and can take many forms depending on the need for the

reinsurance. A material change in a ceded reinsurance agreement may have significant financial effects for an insurance company. The basis for this section is the NAIC Disclosure of Material Transactions Model Act which must be adopted to maintain accreditation.

(3) AS 21.09.310 provides authority and procedures for an insurer organized in a country outside of the United States to establish a U.S. branch in Alaska for operating throughout the United States. This new section establishes Alaska as a state of entry for alien insurers who seek to transact insurance in the United States through a U.S. branch by adopting the NAIC State of Entry Model Law.

Section 13. AS 21.09.290. Risk Retention Groups, page 7.

Subsection (a) sets out the requirements for being licensed as a risk retention group in this state.

Subsection (b) lists the items that must be submitted with an application for certificate of authority.

Subsection (c) requires the risk retention group to notify 30 days in advance any material change to its plan of operation and must receive the director's written approval of the change.

Subsection (d) provides definitions of terms used in this section.

AS 21.09.300. Disclosure of Material Transactions, page 8.

Subsection (a) requires disclosure of material acquisition or disposition of assets or material nonrenewal, cancellation, or revision of ceded reinsurance agreements unless the transactions have been submitted pursuant to other provisions of the statute.

Subsection (b) requires the report be filed 15 days after the end of the calendar month in which the transaction occurs.

Subsection (c) requires that a copy of the report also be filed with the National Association of Insurance Commissioners (NAIC). The subsection requires that the report be given confidential treatment by the division, the NAIC, or any other person, except sharing with insurance departments of other states, unless the insurer gives prior written consent or unless the director determines it is in the interest of policyholders, shareholders, or the public to publish the report and gives the insurer notice and an opportunity to be heard.

Subsection (d) gives the requirements for reporting transactions of material acquisition or disposition of assets.

Paragraph (d)(1) requires that only material transactions be reported and defines material.

Paragraph (d)(2) requires that asset acquisition and dispositions be reported other than the development of real property for the insurer or acquisition of material for such development.

Paragraph (d)(3) lists the information required in the disclosure notice to the division: date, manner of acquisition or disposition, description of asset, consideration given or received, purpose, manner of determining amount of consideration, gain or loss recognized or realized, names of persons involved.

Subsection (e) gives the requirements for reporting transactions of material nonrenewal, cancellation or revision of a ceded reinsurance agreement.

Paragraph (e)(1) requires that only material transactions be reported and defines material.

Paragraph (e)(2) requires that the filing must be made regardless of who initiates the transaction in certain circumstances.

Paragraph (e)(3) lists the information required in the disclosure notice to the division: effective date, description of the transaction, initiator of the transaction, purpose or reason, if applicable, the identity of the replacement reinsurer.

Subsection (f) requires that the report be made on a non-consolidated basis unless the insurer is part of a consolidated group which pools substantially all of its insurance losses. The subsection defines "substantially all".

AS 21.09.310. Authorization of United States Branches of Alien Insurers. page 11.

Subsection (a) states what companies to which this section applies and requires that the U.S. branch will be subject to all laws applicable to an Alaska domiciled insurance company.

Subsection (b) sets out the requirements for applying to use this state as a state of entry .

Subsection (d) allows the director to require evidence from the board of directors that the insurer will not violate Alaska law or its charter.

Subsection (e) allows the director to renew a certificate of authority for a U.S. branch if the U.S. branch meets the requirements for renewal.

Subsection (f) lists the conditions of the U.S. branch which if they existed would prohibit the director from issuing or renewing a certificate of authority.

Subsection (g) prohibits the U.S. branch insurer from transacting business outside of Alaska that is not permitted in Alaska unless such restriction would be prejudicial to the best interest of the Alaska public.

Subsection (h) requires the U.S. branch to maintain assets in a trust account in an amount no less than the U.S. branches reserves and other liabilities and minimum basic capital and surplus.

Subsection (i) lists the requirements for the written trust agreement which must exist for the U.S. branch to conduct business in the United States.

Subsection (j) states that the trust agreement shall be in the form required by the director and not be effective until approved by the director.

Subsection (k) states that the director may approve written modifications of the written trust agreement.

Subsection (l) allows the director to conduct examinations of trust assets and may require the trustee to file statements as to the trust fund.

Subsection (m) allows the director to withdraw approval of the trust agreement, effective in 10 days, if the requirements for the agreement do not now exist.

Subsection (n) allows that refusal or neglect of the statute requirements is cause for suspension or revocation of the certificate of authority.

Subsection (o) requires that annual and quarterly financial statements relate only to transactions within the United States and states who must sign the statement.

Subsection (p) requires that a statement of trustee surplus be filed with the annual and quarterly financial statement and gives the requirements for that statement.

Subsection (q) allows the director to require additional information on the business of the alien insurer or its U.S. branch.

Subsection (r) requires that a report of examination of the U.S. branch include a trustee surplus statement.

Subsection (s) adds definitions of the terms "trustee assets" and "United States branch".

Section 14. AS 21.09.310(c). Alien insurer, page 17.

The repeal and reenactment of this subsection included in Section 13 is to add that a trust account must be in an amount not less than minimum capital and surplus nor less than the risk based capital number. This section would become effective when risk based capital legislation is adopted.

Section 15. AS 21.09.310(h). Alien insurer, page 18.

The repeal and reenactment of this subsection included in Section 13 is to add that the trustee assets maintained may not be less than minimum capital and surplus or less than the risk based capital number. This section would become effective when risk based capital legislation is adopted.

FINANCIAL REQUIREMENTS AND FILINGS OF INSURERS

Sections 16 through 28 include corrections to requirements for recognizing reinsurance credits in financial statements, updating of sections on unearned premium and loss reserves, clarification of investment limitations, correction of language regarding tender offers and authority to hire experts, and clarification of information required in the holding company registration statement.

Section 16. AS 21.12.020(a). Reinsurance Credits, page 18.

The amendments to this subsection are to make corrections for errors made when this section was most recently adopted in 1992. The amendments require that for a US branch of a non-US reinsurer to become accredited they must be licensed in at least one state that is accredited by the National Association of Insurance Commissioners (NAIC). Accreditation is a program of the NAIC which reviews state insurance divisions to determine if they meet a set of standards considered to be the minimum necessary for effective regulation. Other amendments recognize the addition of incorporated members to group insurers (such as

Lloyd's of London) and require that the incorporated member not be engaged in any other business other than underwriting as a member of the group.

Section 17. AS 21.18.060(b). Unearned Premium Reserve For Property, Casualty, and Surety Insurance, page 22.

The amendment to this section removes the outdated method for determining unearned premium on property/casualty policies and requires a prorata determination of unearned premium at any point in time. Premium for property/casualty policies is required to be earned in the accounting records over the term of the insurance policy. This change was suggested by the NAIC accreditation team during review of Alaska insurance statute.

Section 18. AS 21.18.060(c). Unearned Premium Reserve For Property, Casualty, and Surety Insurance, page 23.

The amendment to this section clarifies that insurers must compute all reserves on a basis at least as frequent as monthly.

Section 19. AS 21.18.090. Loss Reserves for Liability Insurance and Workers' Compensation, page 23.

The amendment to this section removes the outdated method for determining loss reserves on liability and workers compensation policies and allows accounting recognition of determined and estimated losses. This change was suggested by the NAIC accreditation team during review of Alaska insurance statute.

Section 20. AS 21.21.250(a). Other Investments, page 24.

The amendment to this section is to clarify the meaning of this investment limitation called the "basket clause". This clause allows insurers to invest a small amount in investments that are not prohibited by law. No substantive change is made.

Section 21. AS 21.21.370(a). Noninvestment Grade Obligations, page 25.

The amendment to this section is a change to clarify the meaning and application of the investment limitations on medium and lower grade bonds.

Section 22. AS 21.22.010(a). Filing Statement of Tender Offer, page 25.

The amendment to this subsection is a clarification of the exemption from filing a Form A statement of notification of acquisition of a domestic insurer with the division.

Section 23. AS 21.22.030(a). Approval of Tender Offer; Hearing, page 25.

The amendment to this subsection adds to the list of conditions which, if present, allows the director to disapprove the merger or acquisition of control of an insurer. The condition added is if the acquisition is likely to be hazardous or prejudicial to the public.

Section 24. AS 21.22.030(d). Approval of Tender Offer; Hearing, page 26.

The amendment to this section is to add a new subsection to allow the director to hire experts to assist the director in reviewing a proposed acquisition of control of an insurer at the acquiring person's expense.

Section 25. AS 21.22.060(b). Registration of Insurers; Contents of Registration Statement, page 26.

The amendment to this subsection clarifies the information which must be supplied in a Form B (Holding Company) registration report. After the change all management and service contracts, cost sharing arrangements, and reinsurance agreements must be reported.

Section 26. AS 21.22.060(c). Registration of Insurers; Contents of Registration Statement, page 27.

The amendment to this subsection is to remove unnecessary language which is currently in effect in subsection (k) regarding the ability to require the filing of a registration statement by a licensed insurer.

Section 27. AS 21.22.060(d). Registration of Insurers; Contents of Registration Statement, page 27.

The amendment to this subsection is to clarify the definition of when an amount is considered not material and need not be disclosed on the holding company registration statement.

Section 28. AS 21.22.060(k). Registration of Insurers; Contents of Registration Statement, page 28.

The amendment to this subsection is to correct the subsection reference and clarify the director's authority to require filing by authorized insurers.

PRODUCER LICENSING

Sections 29 through 43 include clarification of licensing requirements, provide authority to require continuing education, require that fiduciary accounts for premium held by resident producers be in Alaska, allows a single bond to cover multiple locations, and updates language from NAIC model act on Managing General Agents and Reinsurance Intermediaries to allow the director to file civil action for damages.

Section 27. AS 21.27.010(a). License Required, page 28.

Amendment to this section is primarily editorial in nature and clarifies exceptions to general producer licensing requirements under AS 21.27.

Section 30. AS 21.27.020. Refusal to Issue License, page 28.

Amendments to this section provide for regulations to establish additional educational requirements for licensees to implement continuing education and to contract out some licensing services for increased efficiency.

Amendments to this subsection require a licensee to report to the division a change of name or any disciplinary action taken by another jurisdiction.

Section 32. AS 21.27.060(d). Examination of Applicants, page 29.

Amendment to this subsection specifies that exemption from examination for licensure is only available to travel limited license, disability limited license for sports purposes, and retired producer licenses. Removes qualification for exemption regarding NAIC accreditation.

Section 33. AS 21.27.100(e). Appointment of Agents or General Agents, page 29.

Addition of this new subsection is primarily editorial in nature and clarifies that an appointment of a firm licensee extends to persons licensed as an individual in the firm.

Section 34. AS 21.27.130. Form and Content of Licenses, page 29.

Amendment to this section is primarily editorial in nature and clarifies the type of licensee address to be shown on a license.

Section 35. AS 21.27.360(b). Fiduciary accounts, page 30.

Amendment to this subsection requires a resident licensee to maintain its fiduciary accounts in Alaska.

Section 36. AS 21.27.380(a). License Renewal, page 30.

Amendment to this subsection is primarily editorial in nature and clarifies that all license renewal documents must be received by the director on or before the renewal date.

Section 37. AS 21.27.420(c). Conditioning a license, page 30.

Adds a new subsection that provides additional licensing flexibility by allowing a license to be issued or renewed with conditions.

Section 38. AS 21.27.530. Producer Qualifications, page 31.

Amendment to this subsection adds language from updated NAIC Reinsurance Intermediary Model Act to allow the director to bring

a civil action to recover damages from reinsurance intermediary managers.

SURPLUS LINES INSURERS

Sections 44 to 47 add to the definition of Lloyd's the inclusion of incorporated underwriters, add an alternative method to meet the requirement of notification to the insured, and correct the time period for filing fees.

Section 44. AS 21.34.040(c)(4). Incorporated Underwriters, page 34.

The amendment to this paragraph is to include incorporated underwriters as members of a group of insurers such as Lloyd's. Lloyd's recently allowed incorporated members to join the unincorporated members. The incorporated members may not be engaged in any business other than underwriting.

Section 45. AS 21.34.080(c). Evidence of Insurance, Affidavits, Duty to File, page 34.

The amendment to this subsection clearly establishes who must execute the affidavit that notice was given to the insured and when that notice must be given.

The addition to Chapter 36 of a new section is to move language from the existing AS 21.36.420 which is being deleted. This move is made to clarify some of the limitations existing in statute, and to locate the section in a more logical place. There are additions to this section to clarify that a surcharge may be applied on an auto policy where the insured has pleaded no contest to a moving violation, and to specify that any surcharge or premium increase may not be applied until the renewal date of the policy. The definitions section is not moved because the move to section AS 21.36.305 allowed the application of the definition of "personal automobile insurance" currently in AS 21.36.310.

Section 54. AS 21.36.360(i). Criminal Insurance Acts, page 37.

Amendment to this subsection is primarily editorial in nature and clarifies application of this subsection to all persons including risk retention groups and purchasing groups.

Section 55. AS 21.36.360(j). Criminal Insurance Acts, page 38.

Amendment to this subsection is primarily editorial in nature and clarifies application of this subsection to current license types and risk retention groups and purchasing groups.

Section 56. AS 21.36.360(k). Criminal Insurance Acts, page 39.

Amendment to this subsection is primarily editorial in nature and updates this subsection of the Trade Practices and Frauds chapter to correctly reflect current license types and risk retention groups and purchasing groups.

Section 57. AS 21.36.360(n). Criminal Insurance Acts, page 39.

Amendment to this subsection is primarily editorial in nature and correctly reflects current license types.

Section 58. AS 21.36.380. Notice on claim form, page 40.

Amendment to this section is primarily editorial in nature and clarifies that false statements made in regard to claims may result in prosecution under Alaska law.

RATE AND POLICY FILINGS

Sections 59 to 62 provide that insurers who have applied for certificate of authority may file rates and policy forms, provides that the director may specify format and content of rate and policy form filings, and clarifies coverage for newborn or adoptive children.

Section 59. AS 21.39.040. Rate Filings, page 40.

The amendment to this section is by adding two new subsections. Subsection (j) allows insurers who have applied for a certificate of authority and who have filed their policy forms with the division to file their requested rates with the division, before the certificate of authority has been granted. Subsection (k) specifically authorizes the director to adopt regulations regarding the format and content of rate filings.

Section 60. AS 21.39.055. Rate Filings, page 40.

The addition of a new subsection provides that when a certificate of authority is surrendered or not continued, any approvals of rate filings are automatically cancelled unless affirmed by the director.

Section 61. AS 21.42.120. Filing, Approval of Forms, page 40.

The amendment to this section is by adding three new subsections. Subsection (f) excludes credit insurance forms from this section (since they are covered in AS 21.57.080). Subsection (g) allows insurers who have applied for a certificate of authority to file their requested policy forms with the division, before the certificate of authority has been granted. Subsection (h) specifically authorizes the director to adopt regulations regarding the format and content of form filings.

Section 62. AS 21.42.345(b). Newly born or adopted children, page 40.

Amendment is primarily editorial in nature and clarifies that the mandatory offer of coverage for newborn or adoptive children applies to all parents.

CONSUMER CREDIT INSURANCE

Sections 63 through 77 are the result of this chapter being revised to correspond more closely with the NAIC model law on credit insurance. The major changes to this chapter are 1) an expansion of the disclosures that must be made to debtors before the insurance may be sold, 2) the inclusion of credit unemployment insurance in the chapter, 3) the removal of the restriction limiting the scope of this chapter to loans less than \$5000 and of less than 5 years duration, and 4) the limitation on the amount of credit life insurance to no more than the amount of the loan. These changes are detailed by section below.

Section 63. AS 21.57.010. Purpose, page 41.

This is an editorial change to change the reference from credit life and disability insurance to consumer credit insurance.

Section 64. AS 21.57.020. Applicability, page 41.

This broadens the scope of this chapter to include credit insurance on all loans except for ones secured by a first mortgage. The restriction of this chapter in the existing law to loans of less than \$5000 for periods of less than 5 years has been eliminated.

Section 65. AS 21.57.030. Authorized Types of Credit Insurance, page 41.

This allows the defined types of credit insurance (credit life, disability, and unemployment) be written separately or combined in a package.

Section 66. AS 21.57.040. Amount of Consumer Credit Insurance.

page 41.

This section gives a detailed description of the amount of credit life insurance that may be written in different situations. In general, the amount of credit insurance may be no more than the balance of the loan. The existing law allows the amount of credit life insurance to equal the balance of the loan plus all unearned finance charges.

The amount of credit disability or unemployment insurance may equal the total of the unpaid installments of the loan.

Section 67. AS 21.57.050. Duration of Coverage, page 43.

This section explains when a credit insurance policy may become effective in different situations, and how long the insurance may extend beyond the date the loan is paid. It also specifies that if the insurance is terminated before the scheduled termination date, the debtor is entitled to a refund.

Section 68. AS 21.57.055. Disclosure to Debtors, page 45.

This is a new section detailing specific disclosures that must be made to debtors before a credit insurance policy may be sold, and the manner and time that the disclosures must be made. The disclosures that must be made include: 1) that the purchase of credit insurance is optional, and not required to obtain the loan, 2) whether or not the debtor is able to select which types of consumer credit insurance to purchase, or whether the types are only sold as a package, 3) who is eligible for the credit insurance, 4) the fact that the debtor may not need or want credit insurance if they have other insurance, 5) the fact that the debtor has a 30 day free look during which time they can cancel the policy without charge, 6) a description of the coverage provided, 7) any finance charge to be applied to the premium, and 8) whether or not the benefits of the policy are sufficient to pay off the debt in full in the event of a claim.

Section 69. AS 21.57.060. Provisions of Policies and Certificates of Insurance, page 46.

This section lists required policy provisions that must be specified on the individual policy or certificate of insurance. Most of these provisions are not significantly changed from the current law. There are new requirements for the policy to clearly specify: 1) how refunds will be calculated in the event of policy termination, and 2) whether or not the credit insurance benefits are sufficient to pay of the loan in the event of death, disability, and unemployment.

Section 70. AS 21.57.070. Requirements for Evidence of

Insurance, page 47.

This section makes mostly editorial changes to the requirements regarding when the policy or certificate must be delivered to the debtor and what must be included on it. It also adds a requirement that the debtor be given a 30 day free look period to review the policy. If the debtor decides within the 30 days that they don't want the policy, they are entitled to a full refund.

Section 71. AS 21.57.080. Filing of Forms and Rates, page 48.

This section details that all policy forms, rates, etc must be filed with and approved by the director, and is not substantially different from the existing law. The main additions to the section are an addition of filing requirements for insurers' disclosure notices and advertising.

Section 72. AS 21.57.090. Premium and Refunds, page 50.

This section involves some editorial changes, and specifies the formula that must be used to calculate premium refunds in the event of policy termination.

Section 72. AS 21.57.090. Premium and Refunds, page 50.

This section adds a new subsection clarifying that nothing in this chapter authorizes payments prohibited under other laws governing credit transactions.

Section 74. AS 21.57.120. Selection Rights of Insured, page 51.

This section specifies that the debtor is not obligated to purchase credit insurance from the lender as security for a debt, but may substitute insurance that the debtor already has, or by purchasing similar insurance elsewhere. The changes here are purely editorial.

Section 75. AS 21.57.125. Duties of an Insurer, page 51.

Throughout Chapter 57, various duties or responsibilities are placed on insurers. This is a new section which states that the duties assigned to an insurer may be carried out by a creditor as long as the creditor is licensed under AS 21.27.

Section 76. AS 21.57.150. Penalties, page 51.

This section lists the penalties which may be applied to an insurer, creditor, or other person for violating this chapter or an order of the director. The penalties are increased substantially from the existing law, and are consistent with the penalties listed in AS 21.27.440.

Section 77. AS 21.57.160. Definitions, page 52.

Several new definitions are added to this section, primarily to clarify some of the terms that are used in this chapter and may have been misinterpreted in the past.

REDOMESTICATION AND VOLUNTARY SURRENDER OF CERTIFICATE OF AUTHORITY

Section 78 adds two new sections. New procedures have been added for (1) seeking approval for redomestication of an insurer, and (2) voluntary surrender of a certificate of authority issued by this state.

Section 78. AS 21.69.645. Redomestication, page 54

The addition of this section is to provide guidance when an Alaska domestic insurer wishes to move its domestic status to another state or when an insurer that is domiciled in another state wishes to change its domicile to Alaska.

Subsection (a) requires that an insurer domiciled in another state that is licensed in this state may become a domestic of this state if they comply with all Alaska laws regarding organization and licensing of a domestic insurer and designates a principal place of business in this state.

Subsection (b) allows an Alaska domestic insurer to transfer domicile status to another state and shall be licensed in Alaska with the director's approval. The director shall give approval unless it is not in the interest of policyholders or the marketplace. The insurer is required to meet qualifications for being licensed in this state for three years after transfer.

Subsection (c) says that when domestic status is transferred in or out of this state, the certificate of authority, producer appointments, rates, and other items that the director may allow will continue in effect. Outstanding policies of the insurer shall be endorsed with the new name and location of the insurer and any other information required by the director. The director shall be notified of the details of the transfer 30 days in advance.

Subsection (d) says that if the transfer is by merger or consolidation it must meet the statute requirements for mergers in Chapter 69. Certificate of authority, producer appointments, rates and other items allowed by the director shall continue in effect. Outstanding policies of the insurer shall be endorsed with the new name and location of the insurer and any other information required by the

director.

Subsection (e) requires the insurer transferring to this state to file revised policy forms for approval.

Subsection (f) says that an Alaska domestic transferring to another state does not have to file new forms if the forms have already been approved in this state.

AS 21.69.648. Voluntary Surrender of Certificate of Authority, page 62.

The addition of this section is to provide guidance when an Alaska domestic insurer wishes to voluntarily surrender its certificate of authority and discontinue operations as an insurer. The insurer must make a request to extinguish the certificate of authority six months prior to the planned effective date of extinguishment of the charter. The director must conduct an examination within 12 months of the effective date of the extinguishment and all issues noted in that report must be resolved. Any business of the insurer must be cancelled or reinsured.

DOMESTIC INSURER ORGANIZATIONS AND PROCEDURES

Sections 79 through 86 requires quarterly financial statements for insurance entities which did not clearly require quarterly statements, adjustment of requirements for advisory committees and special meetings of advisory committees of reciprocal insurers, clarification of definition of member insurer of the life guarantee fund, and clarification that risk retention groups are not covered by the property/casualty guarantee fund.

Section 79. AS 21.72.125. Quarterly Statements, page 55

The amendment of a new section allows that a benevolent association may be required by the director to submit a quarterly financial statement which must include the information required for the annual financial statement.

Section 80. AS 21.75.135. Quarterly Statements, page 56.

The amendment of a new section allows that a reciprocal insurer may be required to submit a quarterly financial statement and the director may require supplemental information on the transactions of the reciprocal insurer.

Section 81. AS 21.75.170(e). Advisory Committee, page 56.

The amendment to this subsection adds that a special meeting of the subscribers committee may be called by no less than three

individual subscribers. The current language of one percent of the subscribers can be burdensome for very small reciprocals.

Section 82. AS 21.75.170(a) Advisory Committee, page 56.

This new subsection allows a domestic reciprocal insurer to have a subscribers committee of not less than five persons with prior written approval of the director. This change is to remove the burden of having a nine member subscribers committee when the reciprocal is very small.

Section 83. AS 21.79.900(6). Definitions, page 56.

Amendment to this subsection is primarily editorial in nature and clarifies the definition of "member insurer" in the Alaska Life and Disability Insurance Guaranty Association Act.

Section 84. AS 21.80.020. Risk Retention Group, Page 57.

Amendment to this section is primarily editorial in nature and clarifies that risk retention groups are not covered by the Alaska Insurance Guaranty Association Act consistent with the Liability Risk Retention Act.

Section 85. AS 21.84.340(d). Annual Statement, page 57.

The amendment of a new section allows that a fraternal benefit society may be required by the director to submit a quarterly financial statement.

Section 86. AS 21.86.080(b). Annual Statements, page 57.

The amendment of a new section allows that a health maintenance organization may be required by the director to submit a quarterly financial statement.

MISCELLANEOUS SECTIONS, DEFINITIONS, REPEALERS AND EFFECTIVE DATES

Sections 87 through 97 allow insurers to pay claims using electronic funds transfer, provides authority to the director to specify requirement of electronic data transfer, gives requirements and procedures for the operation of risk retention groups and purchasing groups, adds new definitions and clarifies old definitions, and repeals sections which were rewritten or found to be conflicting. The effective date for legislation is July 1, 1994 except for sections regarding consumer credit insurance which will be effective on October 1, 1994.

Section 87. AS 21.89.030. Payment, page 57.

The amendment to this section allows insurers to pay claims using electronic funds transfer.

Section 88. AS 21.89.070, AS 21.89.080. Electronic Data Transfer, Risk Retention Groups and Purchasing Groups, page 57.

Amendment adds two new sections to this chapter. The sections provide (1) authority to specify requirements to facilitate electronic data transfer and (2) give the director authority to require risk retention groups and purchasing groups to register before transacting business in Alaska as consistent with the Liability Risk Retention Act.

Detail description of the new section on requirements for risk retention groups and purchasing groups are as follows.

Subsection (a) requires risk retention groups and purchasing groups to register with the director.

Subsection (b) states that registration shall be on forms prescribed by the director and a fee will be required.

Subsection (c) requires the groups to submit an annual continuation application and fee.

Subsection (d) states that a risk retention group which is domiciled in Alaska and holds an Alaska certificate of authority does not need to register.

Subsection (e) states that a group that is not complying with federal law may not register or continue the registration.

Subsection (f) states that failure to comply with federal law on risk retention groups and purchasing groups is a violation of Alaska statute.

Subsection (g) states that violation of statute may result in a penalty of not more than \$10,000 per violation or \$25,000 if the director determines that the violation was wilful.

Subsection (h) allows the director to adopt regulations on operating and reporting requirements which do not conflict with federal law.

Section 89. AS 21.90.900(26). Definitions, page 58.

Amendment is primarily editorial in nature and clarifies definition of "managing general agent" as requested by the NAIC accreditation team.

Section 90. Repeal, page 59.

This section repeals two parts of current statute. AS 21.27.650(f)(3) contradicts AS 21.27.100(a) which does not allow a third-party administrator to appoint subagents and is repealed. The language in AS 21.36.420 is included in AS 21.36.305 in Section 50, page 40 of this legislation. This move to a new section is made to clarify some of the limitations existing in statute, and to locate the section in a more logical place.

Section 91. Repeal, page 59.

This section repeals two sections of current statute regarding consumer credit insurance. AS 21.57.110 duplicates sections in AS 21.36 and is unnecessary. AS 21.57.170 is not appropriate in our law, and is removed.

Section 92. Alaska Rule of Civil Procedure, page 59.

This section notes that the new subsection in AS 21.09.300(c) affects Alaska Rule of Civil Procedure 45 by not allowing reports of material transactions to be given when under subpoena.

Section 93. Effective date on policies of insurance, page 59.

This section provides that the Act applies to insurance policies entered into or renewed on or after the Act's effective date.

Section 94. Effective Date, page 59.

This specifies that sections 14 and 15 will become effective upon adoption of legislation dealing with risk-based capital. Until risk-based capital legislation is adopted, AS 21.09.310 will be as shown in section 13 of this bill.

Section 95. Effective Date, page 59.

This specifies that sections 14 and 15 will take effect when statute regarding risk based capital requirements for insurers takes effect.

Section 96. Effective Date, page 59.

This specifies that the effective date for the changes to AS 21.57 dealing with Consumer Credit Insurance will be October 1, 1994.

Section 97. Effective Date, page 59.

This specifies that all other sections of this legislation, other than effective dates specified above in Sections 95 and 96, will be effective on July 1, 1994.

Proposed Legislation	Existing Statutes	Comments
* Sec. 91. AS 21.57.110 and AS 21.57.170 are repealed.		This section repeals two sections of current statute regarding consumer credit insurance. AS 21.57.110 duplicates sections in AS 21.36 and is unnecessary. AS 21.57.170 is not appropriate in our law, and is removed.
* Sec. 92. AS 21.09.300(c), enacted in sec. 13 of this act take effect of amending Alaska Rule of Civil Procedure 45, by providing that certain insurer reports of material transactions are not subject to subpoena.		This section notes that the new subsection in AS 21.09.300(c) affects Alaska Rule of Civil Procedure 45 by not allowing reports of material transactions to be given when under subpoena.
* Sec. 93. TRANSITION. This Act applies to a policy of insurance that is entered into or renewed on or after the effective date of the relevant provision of this Act.		This section provides that the Act applies to insurance policies entered into or renewed on or after the Act's effective date.
* Sec. 94. Sections 14 and 15 of the Act take effect only if legislation is passed by the Eighteenth Alaska State Legislature and becomes law that establishes risk-based capital requirements for insurers.		This specifies that sections 14 and 15 will become effective upon adoption of legislation dealing with risk-based capital. Until risk-based capital legislation is adopted, AS 21.09.310 will be as shown in section 13 of this bill.
* Sec. 95. If secs. 14 and 15 of this Act take effect, they take effect on the effective date of the legislation described in sec. 94 of the Act.		This specifies that sections 14 and 15 will take effect when statute regarding risk based capital requirements for insurers takes effect.
* Sec. 96. Sections 63 - 77 and 91 of this Act take effect on October 1, 1994.		This specifies that the effective date for the changes to AS 21.57 dealing with Consumer Credit Insurance will be October 1, 1994.
* Sec. 97. Except as provided in Sec. 95 and 96 of the Act, this Act takes effect July 1, 1994.		This specifies that all other sections of this legislation, other than effective dates specified above in Sections 95 and 96, will be effective on July 1, 1994.
