SPONSOR STATEMENT

HB 361 - "An Act relating to municipal capital project matching grants for a municipality organized under federal law as an Indian reserve; and providing for an effective date."

I introduced this legislation at the request of the Metlakatla Indian Community when their FY 96 Municipal Assistance Matching Grant Program appropriation was eliminated from last year's budget. Metlakatla qualified for this program under the Department of Administration **regulations** definition for "municipality". However, legal analysis found that the **statute** definition was not written specific enough to include the Metlakatla Indian Community in this program. Since the statute definition supersedes the regulatory definition the appropriation was eliminated.

HB 361 AMENDS AS 37.06 (Capital Project Matching Grants Programs) by adding a new section that includes a municipality organized under federal law as an Indian reserve. This bill has been drafted to specifically include the Metlakatla Indian Community within the Municipal Assistance Matching Grant Program. This legislation also provides that Metlakatla may not receive a grant under the Unincorporated Community Capital Project Matching Grant Program.

The community of Metlakatla is definitely more reflective of a municipal government and fits more appropriately into the Municipal Capital Matching Grant Program. The community has a mayor, city council, school board, constitution, law and order codes, police department, court system, etc..

There are two zero fiscal notes accompanying this legislation from the Department of Community and Regional Affairs and the Department of Administration.

ANALYSIS: (Attach a separate page if necessary)
This legislation clearly establishes the community of Metlakatla as a municipality for the purposes of the Municipal Capital Project Match Program, AS 37.08.010-090, removing an ambiguity under which the community has in the past received capital match program funds for both unincorporated and municipal elements of the program. This legislation would have no direct fiscal impact on the department. Funds currently maintained by DCRA for Metlakatla under the unincorporated capital match program would be transferred to the Municipal Capital Match Program Metlakatla account administered by the Department of Administration.

Sec. 29.60.130. State aid to volunteer fire departments not in organized municipality. Sec. 29.60.140. State aid to unincorporated communities. (a) The department shall pay to each unincorporated community an entitlement each fiscal year to be used for a public purpose. The department with advice from the Department of Law shall determine whether there is in each unincorporated community an incorporated nonprofit entity or a Native village council that will agree to receive and spend the entitlement. If there is more than one qualified entity in an unincorporated community, the department shall pay the money under the entitlement to the entity that the department finds most qualified to receive and spend the money. The department may not pay money under an entitlement to a Native village council unless the council waives immunity from suit for claims arising out of activities of the council related to the entitlement. Re: HB361- 'An Act relating to municipal capital project matching grants for a municipality organized under federal law as an Indian reserve; and providing for an effective date.'

Dear Representative Mackie:

We appreciate the work you have put into this issue during the interim and your sponsoring HB 361 this legislative session.

We received Capital Project Matching Grants funding in FY94 in the amount of \$60,619.00 which went to the fire hall project. In FY95 we received \$58,909.00 which is being allocated to the police department project.

For FY96, we were allocated \$59,421, however, it was then determined that although the matching grant regulations explicitly allow Metlakatla to receive funding, the statute that defines municipalities does not include Metlakatla. We did not receive this appropriation due to this legal technicality.

We never questioned receiving for the Municipal Capital Matching Grant Program and the Unincorporated Capital Matching Grant Program since we weren't familiar with allocations to other communities and this had never been brought to our attention by the administration or the legislature previously.

We appreciate your active support for passage of this legislation which removes us from the Unincorporated Capital Matching Grant Program completely and specifically includes Metlakatla in the statute provisions for the Municipal Capital Matching Grant Program.

Sincerely,

METLAKATLA INDIAN COMMUNITY
