RE: HB 180 / REP. JAMES

Please find the bill packet on HB 180. I have been informed that there is no fiscal impact caused by this legislation, however the Administration has not provided me with a fiscal note to that effect.

Since the bill has two more committees of referral I will not hold it up based on fiscal questions which may be better addressed by those two (standing) committees.

Our purview as a tourism committee is more oriented toward the effect this bill will have on the industry. HB 180 is a bill friendly to the smaller lodges and host businesses in remote areas and does not significantly expand liquor license authority.

As chair it would be my intention to move the bill from committee if there are no serious objections by members.

Thank you.

SPONSOR STATEMENT

HOUSE BILL 180

LIQUOR LICENSES FOR REMOTE LODGES

HB180 is a cooperative effort between **remote lodge owners** and the **Alcohol Beverage Control Board** to correct an inequity.

Under current law, some small lodges which happen to be located in a remote corner of large unified population areas cannot get a liquor license. These small remote lodges exemplify the very heart of Alaska and provide a vital service to Alaskan residents as well as visitors from outside our state.

For example, as the law now reads, if a person wants to develop a small lodge or tourist facility in a remote or inaccessible area of the Mat-Su or Kenai Borough, the lodge would be required to have 40 rental rooms to obtain a full-service liquor license. All of us who have enjoyed visiting small remote lodges in Alaska know that this requirement is excessive and unfair.

This is not a "liquor issue." This is an effort to remove a roadblock created by an inequity in our laws. If Alaska is to survive economically, we must allow hard-working Alaskans to develop small businesses in the spirit of Alaskan enterprise.

RE: HB 180

Dear Representative James:

Your HB 180 has specific potential to correct an inequity in current law. For example, a person who would like to develop a tourist facility in a rural or inaccessible area in the Matanuska-Susitna or Kenai Borough has to construct a 40-room facility to obtain a full-service liquor license (or acquire an existing license from another person). In reality, this requirement is excessive.

The Alcoholic Beverage Control Board fully supports the legislation and believes that your amendment will possibly stimulate development of small tourist facilities in certain remote areas.

If I can provide you any additional information or clarification, please do not hesitate to call.

Sincerely,

Patrick L. Sharrock
Director

All Honorable members,

rep. Jeannette James

Ladies and Gentlemen of the Legislature:

By way of introduction, my name is Mike Tittle and until her untimely death last November my wife Lynn and I were the only year round residents of the Denali Highway.

Lynn and I (I can't yet believe she is dead nor can I refer to her in the past tense) are 35 year residents of Alaska and prior to buying the Maclaren River Lodge and moving to the Denali Highway we owned a real estate company in Fairbanks.

We had Paxson Lodge and Tangle River Inn listed for sale with our company and in the process of servicing the listings we fell in love with the area and saw a way we could make our dream come true and promote winter tourism as well. Not to mention the Alaskans that can't find a place to ride a snowmachine. We had over 2,000 people come out here by snowmachine our first winter of operation.

We took an old lodge and completely rebuilt it to make it winter ready and comfortable. In order to do this we sold our company and everything we owned to be able to make the lodge something the State of Alaska could be proud of.

However, since we're located a mere 1.5 miles inside the Mat-Su borough we can't get a liquor license and are in very real danger of losing everything we've worked so hard for because of it.

There has been a license at this lodge since Statehood and it's gone only because the prior owner didn't renew it in a timely manner.

The regulation in question is Sec 04.11.400 of Title 4 which says that I must have 40 rooms for rent before I can get a license.

Ladies and Gentlemen, this is the most unfair situation I am aware of in the entire State of Alaska. I pay taxes to the Mat-Su borough and have to haul my trash to Fairbanks. We provide a service to the public that no one else is doing yet we get penalized for it. We promote winter tourism as much or more than anyone in the State yet because the Mat-Su borough decided to annex the earth I can't get the license that would allow me to compete on an even keel with other lodges. We have provided an oasis in the arctic and have given it our lives.

I have talked to hundreds of tourists and the overwhelming consensus is that they would rather spend much more of their time in small rustic lodges where the pace is a little slower and they can experience the "real Alaska" They say they feel they're missing something if they don't experience the bush as well as the cities.

I've outlined a few minor changes to the ABC regulations that I hope you will support as it will help our economy as well as promote tourism.

I beg your indulgence and understanding.

Best Regards,

Mike Tittle, owner

MR GEORGE DOZIER:

SIR: I would like to state for the committee holding the hearing on HB-180 that in general I am in favor of the Bill, and, in particular as it concerns the "M^o-LAREN RIVER LODGE" on the DENARI Hwy. I feel that the issuance of a liquor license for this lodge would be of definite benefit and would in no way be a detriment to any entity within ALASKA
