This bill extends the 10% bid evaluation preference for an Alaska bidder who is a sole proprietor with a disability to partnerships if each partner has a disability and to corporations if wholly owned by individuals with disabilities. The 10% evaluation preference is in addition to other preferences the bidders qualify for. Under this bill, agency personnel evaluating quotes, bids, or RFPs must calculate the 10% preference for the additional entities if they appear on the disabled vendor list maintained by the Department of Education, Division of Vocational Rehabilitation.
