ANALYSIS: (Attach a separate page if necessary)

Under current law, only certain non-profit organizations and municipalities can conduct gaming in Alaska. The type of gaming that is authorized is generally limited to pull-tabs, bingo, raffles, Monte Carlos and contests of skill. This bill would exempt cruise ships from the States gambling laws and allow for-profit organizations (cruise ships) to conduct casino gambling in the offshore water of the state.

One of the statues administered by the Department of Revenue, Charitable Gaming Division is Title 43, Chapter 35 "Coin-Operated Devices and Punchboards" [AS43.35]. Article one of the statute imposes a tax on all class I, class II, and class III amusement and gaming devices in operation within Alaska. Seventy-five percent of the taxes collected are shared with the local government where the devices are held out for play. This bill would provide an immediate exemption from the coin-operated device tax for cruise ships exempted from the gambling laws.
