RE: Hearing Request for SB 200

I would appreciate it if you would schedule a hearing for SB 200, a bill which would amend the Alaska Statehood Act regarding the revenue split should ANWR be opened.

I believe there is still a chance for the 104th Congress to approve the opening of ANWR to oil and gas development. We have been told repeatedly that there is no chance for this option unless and until the revenue split, as proposed in the Budget Reconciliation Act, is approved by the Legislature.

Throughout this past year, our state leaders including the Governor, the President of the Senate, the Speaker of the House, other high ranking officials of this Administration as well as many business leaders have testified in support of this revenue sharing agreement. This bill accomplishes that goal.

SB 200 says that the State will assent to any division of oil and gas revenues from ANWR so long as the percentage received by the State is no less than that retained by the United States. It further states that we will only agree to this changed allocation of revenues from ANWR if this issue is acted upon during the 104th Congress.

Thank you for your attention to this matter. I look forward to discussing this issue with you in the Senate Judiciary Committee.

Re: Hearing Request for Senate Bill 209 (Crime of Kidnapping)

Date: February 6, 1996

I request that you schedule Senate Bill 209, relating to the crime of kidnapping, for a hearing in your committee.

Senate Bill 209 would require that persons convicted of an unclassified felony of kidnapping be sentenced to a mandatory term of 99 years if the court, at the time of the sentencing, does not know the whereabouts of the victim of the kidnapping.

Senate Bill 209 also specifies that defendants sentenced under this law would not be eligible for discretionary parole for their entire term in prison. However, persons convicted under this proposed law may apply for a modification or reduction of their sentence under the Alaska Rules of Criminal Procedure after serving one-half of their mandatory 99 year term.

If you have any questions, please contact myself or James Armstrong of my staff 465-3892.
