ANALYSIS: (Attach a separate page if necessary.)

If enacted, this Bill will eliminate the search and rescue fund identified in Title 18. It will also limit the monetary amount an authorized person can obligate during a search and rescue operation to a maximum of \$2500 unless the commissioner approves a higher amount.

It will not significantly impact our program objectives or budget provided the eliminated fund is not confused with the search and rescue budget component within the Division of Alaska State Troopers.

BILL SUMMARIES

HB's 102, 103, 104, 105, 106, 107, 108

HB 102

"An Act abolishing the Alaska Medical Facility Authority . . ."

This legislation follows up with last year's SB136, which transferred the balance remaining in the Alaska Medical Facilities Authority Fund to the State General fund, thus closing out all accounts pertaining to the Authority. Since that time, neither the Fund nor the Authority have been used. By repealing AS 18.26, the obsolete Alaska Medical Facility Authority would be cleared from the Statutes.

HB 103

"An Act repealing certain state funds and accounts and boards and programs related to those funds and accounts. . ."

Simple repeals of the following inactive accounts: Alaska Amateur Sports Fund; Cooperative arrangement grant fund; Bilingual-Bicultural Education Fund; Alaska Student Leadership Development Fund; Alaska School Counseling Program Grant Fund; University Risk Management Fund; Community College Fund; Community Health Aide Grant Account; Veterans Service Fund; Alaska Municipal Land Account; Federal Transitional Grants Accounts; Mineral Resource Revolving Fund; Outdoor Recreational, Open Space, and Historic Properties Development Fund; Neighborhood Revitalization and Development Fund; Legal Assistance and Juvenile Justice Grant Fund; Fisheries Product Revolving Loan Guarantee Fund; Forest Products Business Loan Guarantee Fund; Community Action Against Substance Abuse Grant Fund; Alaska Longevity Bonus Fund; Self-Sufficiency Trust Fund; Alaska Pioneers' Home Trust Fund; Older Alaskans Service Programs Account; Community Schools Grant Fund; and Handicap & Mental Illness Charitable Account.

HB 104

"An Act repealing the search and rescue fund, relating to expenditures for search and rescue activities . . ."

Search and rescue activities are appropriated directly from the General Fund and not through the search and rescue fund, which has remained empty and

inactive. This legislation removes the fund from statutes, as well as reference to the fund.

HB 105

"An Act relating to the unorganized borough national forest receipts program . . ."

There is no present or anticipated use for the unorganized borough national forest receipts fund. Federal appropriations for the program go directly into the General Fund, leaving this special account inactive and empty. The legislation would clear the unused account from Statutes, by changing the reference from "fund" to "program".

HB 106

"An Act relating to the municipal assistance program and organization grant program..."

Although these programs remain operative, the municipal assistance and organization grant funds are inactive and empty. Legislation would clear the "fund"(s) from statutes, and refer only to the "program"(s).

HB 107

"An Act relating to water quality enhancement and water supply, waste water, and solid waste systems grants . . ."

This legislation removes from Statutes the Water Quality Enhancement and Water Supply, Wastewater, and Solid Waste Systems Fund. The fund is empty and is not used in making appropriations to the program.

HB 108

"An Act relating to the crime victim compensation program. . ."

The crime victim compensation program does not receive allocations from the fund established by statute. The inactive account is cleared by changing reference from "fund" to "program".
