ANALYSIS: (Attach a separate page if necessary)

The attached bill amends AS 47.07.074 to clarify that the Department of Health and Social Services is authorized to consider the department's audits of financial and statistical information submitted by health care facilities, for the purpose of establishing Medicaid payment rates for such facilities. This bill also addresses the timing of the submission of reports by health facilities, and provides that Medicaid audits may be conducted less than annually on health care facilities.
