Re Legislative Ethics Committee

Dear Rep. Finkelstein

I would appreciate having my name considered as a member of the "Select Committee on Legislative Ethics".

As a former elected official I feel I have the necessary insight and understanding to deal with the type of issues the Ethics Committee will be responsible to handle.

My involvement in the community of Sitka for 27 years, prior to moving to Juneau 2 years ago, earned me a reputation of being honest and up-front while at the same time maintaining a good report with the people I worked with.

This committee needs people who will be able to review, digest and form a solid opinion of the information and facts presented, and to do it with honesty and candor. I believe I am such a person.

Thank you for your consideration.

Sincerely

Shirley A. McCoy
