

**HB**

**195**

Rep Green,

Dr Peter Cannava, Soldotna  
Ophthalmologist stopped by to  
make you aware of HB195 pertaining  
to optometrists.

The AK Assoc of ophthalmology has  
serious problems w/ Sec 7 which will  
re define surgery so that most  
Lay (non-medical) professionals  
would qualify to do same.

Please let us or the Assoc of Ophthalm-  
ology know if we can help you in  
understanding the implications of  
this bill

Thanks  
Peter Cannava
