SB 218 increases the penalties for those people who kill children. These changes will have no fiscal impact on the Department of Law. The department already aggressively pursues criminal cases involving the murder of a child. Enactment of this legislation will increase the penalties for those charged, but will not increase the department's workload.

ANALYSIS: (Attach a separate page if necessary.)

This bill would increase the severity of child homicides. Some non-intentional homicides that are currently charged as criminally negligent homicide, manslaughter, and second degree murder could be charged as first or second degree murder under this legislation. Felony murders involving sex offenses would be raised from second degree to first degree murder. Penalties would be increased as well. This bill is similar to provisions included in the Governor's Child Protection Bill.

The Public Defender Agency (PDA) does not believe that this bill would necessarily result in more criminal cases being filed. However, the seriousness of the offenses will obviously be increased. PDA is not able to say exactly what fiscal impact this bill, standing alone, would have, but it is sure to increase the amount of time attorneys and staff will have to spend on child homicide cases. It will also increase the amount PDA will need to expend on expert witnesses and other litigation support.

## MEMORANDUM

April 29, 1998

**SUBJECT:** Sectional Summary of CSSB 218(FIN). (Work Order No. 20-LS1322/L)

**TO:** Senator Rick Halford  
Attn: Bill Stoltz

**FROM:** Gerald P. Luckhaupt *Jog*  
Legislative Counsel

You have requested a sectional summary of the above-described bill. As a preliminary matter, please note that a sectional summary of a bill should not be considered an authoritative interpretation of the bill - the bill itself is the best statement of its contents.

**Section 1 of the bill** (1) amends AS 11.41.100(a)(2) by simplifying the language and expanding the range of conduct proscribed by this particular form of first degree murder of children under 16 years of age; and (2) also amends AS 11.41.100(a) by adding a new form of first degree murder which consists of making certain felony murders<sup>11</sup> of children; these murders are currently, for the most part, proscribed under the felony murder provisions of AS 11.41.110(a)(3) as second degree murder.

**Section 2 of the bill** amends AS 11.41.110(a)(3) by making a conforming change to AS 11.41.110(a)(3) (p. 2, lines 16 - 17) to the recodification of certain felony murders of children as first degree murder and by expanding the application of the felony murder rule of AS 11.41.110(a)(3) to sexual abuse of a minor in the first and second degrees.

**Section 3 of the bill** increases the penalty for criminally negligent homicide from a class C felony to a class B felony.

**Section 4 of the bill** amends AS 11.41.320(a) by providing that a person commits the crime of interference with child custody if the person causes the victim to be kept out of state in addition to removing the victim from the state as provided under existing law.

**Section 5 of the bill** amends AS 12.55.125(b) by requiring a 20 year mandatory minimum sentence for a person convicted of murder in the second degree of a child under the age of 16 and the court finds by clear and convincing evidence that the person was the legal

guardian of the child or occupied a position of authority in relation to the child or caused the death of the child during commission of an offense under AS 11.41.200 - 11.41.530.

**Section 6 of the bill** established a presumptive sentence of seven years for a first felony offender convicted of manslaughter in the death of a child under 16 years of age.

**Section 7 of the bill** amends AS 12.55.125(k) by instructing courts that a first felony offender convicted of criminally negligent homicide of a child under 16 years of age may be sentenced to a term of imprisonment that is greater than the presumptive term for a second or third felony offender.

**Section 8 of the bill** provides that the bill only applies to offenses committed after the effective date of the bill.

Dear Senator Halford,

On behalf of the Alaska Peace Officers Association (APOA), I would like to thank you for introducing SB 218 relating to the crime of murder and to the murder of children.

At a recent meeting of the APOA Board of Directors, we unanimously agreed to endorse SB 218. We feel that this legislation will eliminate convoluted language currently in AS 11 41.100. 100(a) and will provide easier prosecution for offenders violating this section of the Alaska Statutes.

We have spoken at length with law enforcement officers who investigate such crimes and have received much positive reaction to the intent of this bill. They feel that this legislation will assist them in their investigations.

Please contact us if there is anything we can do to assist you with this bill as it proceeds through the legislative process. You may contact us at the APOA office in Anchorage at 277-0515.

Once again, thank you for sponsoring this legislation.

Sincerely,

John Charbonneau  
State President

Dear Senator Halford:

Victims for Justice (VFJ) strongly supports the proposed Senate Bill 218, "an Act relating to the crime of murder and to murder of children."

The senseless death of a child is one of the greatest of all tragedies. It is time to ensure that those who would harm our children are dealt with in the strongest possible terms. The age of the victim should not deter or weaken this message.

Crimes of violence that jeopardize not only our personal safety, but destroy the tranquility of our families, cannot be minimized or trivialized. If the most vulnerable of our society, our children, are murdered, those who are responsible must be held fully accountable. Those who value life so cheaply are entitled to no special consideration.

Sincerely,

RE: SB218

Dear Senator Halford:

Thank you so much for sponsoring SB218, "An Act relating to the crime of murder and to murder of children." AWAIC provides shelter to children made homeless by domestic violence. In fact, at any given time, about sixty percent of our clients are children. As a long-time children's advocate, I certainly agree with your statement that children are the most vulnerable members of our society. They certainly deserve more protection than our society has afforded them. Your bill moves the system in the right direction. I appreciate your taking this initiative and will do whatever I can to provide support. Please let me know what I can do to be helpful.

Sincerely,

Jan MacClarence  
Executive Director

### Sponsor Statement CS SB 218 (FIN)

**"An Act relating to the crimes of murder, manslaughter, and criminally negligent homicide; to homicides of children and relating to the crime of interference with custody of a child or incompetent person."**

All too often, when a child is killed, even when the killer is convicted, they do not receive punishment commensurate with the severity of their actions. Tragically, this has especially been the case when very young children are killed. I believe these children, who are the most vulnerable members of our society, are owed far more than our criminal justice system has afforded them. CS SB 218 (FIN) makes the following changes to our criminal statutes:

- *amends current law by adding a new form of first degree murder when the death of a child results from the commission or attempted commission of kidnapping, or of a sexual offense,*
- *expands the list of offenses constituting felony murder to include sexual abuse of a minor in the first and second degrees,*
- *elevates criminally negligent homicide from a class C to a class B felony,*
- *establishes a twenty year mandatory minimum sentence for a person convicted of a murder of a child under the age of sixteen,*
- *increases the mandatory minimum sentence (from five to seven years) for manslaughter, when the victim is a child under the age of sixteen,*
- *establishes a new sentencing provision, which allows for a term of unsuspended imprisonment that exceeds the presumptive term, for certain felony offenses if the victim is a child under the age of 16,*
- *establishes the crime of custodial interference in the first degree if a person violates AS 11.41.330 and causes a child or incompetent person to be removed or kept outside the state.*

Children deserve a responsible level of care when they are entrusted to an adult. CS SB 218 (FIN) will help accomplish both the goals of deterrence and establishing a punishment more fitting the crime. Passage of this bill will correct serious deficiencies in our legal system. I urge your support.
