ANALYSIS: (Attach a separate page if necessary)

This resolution would have no fiscal impact on the Department of Transportation and Public Facilities. The department supports an act naming the new ocean-class marine highway vessel.

January 13, 1997

The Honorable Gail Phillips
Speaker of the House
Alaska State Legislature
State Capitol
Juneau, AK 99801-1182

Dear Speaker Phillips:

I am pleased to transmit this bill to you naming the latest addition to the state's marine highway fleet the Motor Vessel Kennicott.

This name complies with state law requiring the name of our maritime vessels be that of an Alaska glacier. But I think it's especially terrific this name was selected through a statewide essay contest conducted in our schools. The winning name was nominated by Leah Jarvis, a student at Glennallen Elementary School in Copper Center, Alaska.

A joint legislative and executive branch committee consisting of Lieutenant Governor Fran Ulmer, former Senate President Drue Pearce, and House Speaker Gail Phillips chose Leah's essay as the best one from among the numerous entries.

The Motor Vessel Kennicott will provide valuable service to the state for many years. Its name appropriately reflects one of Alaska's beautiful scenic wonders. I urge your favorable consideration of this bill and your joining me in congratulating Leah and all of the students who participated in this contest.

Sincerely,

Tony Knowles
Governor
