This bill provides for the selection and conveyance to the University of Alaska of 250,000 acres of land conveyed to the state under the Alaska Statehood Act. A list of land to be conveyed is to be presented to the legislature within 30 days of the beginning of each regular session, with each list to contain at least 25,000 acres. The bill also provides that the University of Alaska shall bear all costs of selection, platting, surveying and conveyance. This fiscal note assumes that the minimum 25,000 acreage will be platted and surveyed each year, at an estimated cost of \$1,500.0. All costs will be paid from the university land grant trust fund as provided for in AS 14.40.400; related expenditures will also be reflected in the university's annual operating budget as university receipts.
