ANALYSIS:

Authorizes a lease-purchase agreement for up to \$18,440,000 for a centralized public health lab facility with anticipated annual rent of \$2,420,000 and total rent of \$24,130,000. Bond counsel suggests that the sentence beginning in line 6 of the proposed bill be amended to read: "The State Bond Committee is authorized to provide for the issuance of certificates of participation for, and the Department of Administration is authorized to enter into, a lease purchase agreement for a centralized public laboratory facility to be constructed under the lease-purchase agreement and to be operated by the Department of Health and Social Services."

The lease payments shown above are projected at current interest rates over ten years for \$18,440,000 and assume rental payments begin on 8-1-98. These payments are within the amounts anticipated in the proposed bill. If, however, interest rates are projected at current rates plus 75 basis points (.75%/year), the rental payments are projected to exceed the amounts anticipated in the proposed bill. In that event, the amount financed and available for project costs would have to be reduced by approximately \$410,000.

ANALYSIS: (Attach a separate page if necessary)

Currently, the Division of Public Health operates three inadequate state public health laboratories in Anchorage, Juneau and Fairbanks and the Medical Examiner's laboratory temporarily located in the Department of Public Safety crime lab. Consolidation of the Juneau lab activities within Anchorage would not only save the state from having to upgrade two laboratories but would also show a savings in operating costs.

The savings would start to occur in FY01 in the following line items.

Personal Services Line 100

With the consolidation of the two laboratories the current staffing level can be reduced by two positions:

PCN 06-1065 Lab Technician I, range 10 GG, PFT Juneau, \$46.4

ANALYSIS (cont.):

PCN 06-1436 Admin. Clerk II, range 8, GG, PFT, Juneau \$36.8

Travel Line 200

Travel would be reduced by \$3.5 due to the staff being located in two locations, rather than three, the Chief would have to travel to each laboratory as required under CLIA.

Contractual Line 300

Janitorial Services - \$2.2

Federal Inspections - \$1.5

Subscriptions - \$0.5

Telephones - \$1.9

Public Utilities - \$2.8

Rent - \$0.6

Maintenance and Repair of Equipment - \$3.2

Courier Services - \$2.9

Space Lease - \$115.2

All line items listed above assume a 2.5% per year inflation factor.

The bill would authorize financing and construction of a new laboratory facility which would replace two leased locations in Anchorage and Juneau. Lease savings would be expected to begin in FY 2001. The specific leases and current costs are shown on the following page. Costs for the Juneau lease are budgeted in the Department of Health & Social Services. Future years estimated lease savings have been adjusted to reflect probable CPI adjustments. Payments for the new lease purchase, design, construction, acquisition and construction contract compliance are not included on this fiscal note.
