CSSB 24 (JUD)

CSSB 24 (JUD) provides that a person may not knowingly perform an abortion upon a woman who is unmarried, under 18 years of age, and unemancipated, unless, before the abortion, one of the woman's parents or the woman's guardian or custodian has consented to the abortion in writing; a court issues an order authorizing the woman to consent to the abortion; or a court, by its inaction, constructively authorizes the woman to consent to the abortion. A woman who seeks a court order authorizing an abortion is required to have an attorney. If she cannot afford an attorney, one must be appointed by the court from the Office of Public Advocacy (OPA). Because we are dealing with unemancipated minors, it must be assumed that all attorneys will be paid for by the state. OPA has estimated that 112 minor females will seek judicial approval for an abortion each year.

CSSB 24 (JUD) requires a superior court judge to hold a hearing in these cases on an expedited basis. This note assumes that the review of documents, the hearing, the decision process and the preparation of the order will average two hours of judicial time. This note also reflects clerical costs associated with processing 112 filings which involve expedited hearings and which require court clerks to actively follow cases to make certain that time limits are met and that constructive consent has been given in cases in which a court takes no action within the specified period. This note does not reflect costs for expedited appeals in cases where a court denies permission for an abortion, nor does it reflect costs for the preparation of special forms and instructions required by the bill.
