Memorandum

TO: Senator Jerry Ward, Chair
Senate Transportation Committee

FROM: Senator Randy Phillips *REP*

DATE: February 17, 1997

RE: Senate Joint Resolution No. 12
Relating to reconstruction and paving of the Alaska Highway

I support the passage of Senate Joint Resolution No. 12 which requests the United States Congress to appropriate \$94 million to complete the Shakwak project, the reconstruction of the primary surface link between Southeast Alaska and the rest of the state.

In 1977 the United States and Canada entered into an agreement to reconstruct the Haines Highway and that portion of the Alaska Highway between Haines Junction and the Alaska-Yukon border near Beaver Creek. The agreement calls for the United States to provide the funding and for Canada to provide the rights of way and administer the construction contracts. Canada has guaranteed access to U.S. citizens and guaranteed that the highway will remain toll free.

The Shakwak project includes 325 miles of highway, of which 221 miles have either been completed or funded. It is currently estimated that \$94 million additional will be needed to complete the remaining 104 miles of highway. Congress is currently considering reauthorization of highway funding and it is important that this project be brought to their attention.
