SPONSOR STATEMENT

HB 482 MOTOR VEHICLE REGISTRATION

HB 482, an act relating to the registration of motor vehicles, was introduced to make state government more efficient and user friendly.

Currently, the state issues thousands of vehicle registrations yearly to seniors and handicapped Alaskans. Although there is no charge for these vehicle registrations, considerable time and effort goes into issuing them on an annual basis. HB 482 would remove this burden from our seniors and those with disabilities, and help shrink the lines at our D.M.V. offices while freeing up time for employees to do other tasks.

Adoption of House Bill 482 will increase efficiencies at D.M.V. and promote a user friendly atmosphere between the public and state government.
