### ANALYSIS: (Attach a separate page if necessary)

This bill simplifies the method of calculating pay and allowances for members of the National Guard and Naval Militia. There is no fiscal impact but administrative workload will be reduced in the event the National Guard is called onto Active Duty to respond to a state disaster or emergency. In addition, Guard and Naval Militia members will be paid more timely and accurately than in the past with this change.

This bill also clarifies the status of the Alaska State Defense Force when called to State Active duty. The department will pay to ASDF when called to active duty in accordance with state pay scales (level of work performed) but will recognize that the ASDF is subject to the ASDF command structure and discipline.
