Senate Joint Resolution 3 - Repeal of Regulations

Senate Joint Resolution 3 is a proposed amendment to the Constitution of the State of Alaska which would grant the Legislature the ability to repeal a regulation adopted by a state department or agency that is inconsistent with its enabling statute. This proposed amendment would allow the repeal of a regulation by a resolution passed by a majority of the members of each house.

The numerous regulations contained in the Alaska Administrative Code were not created by legislators. The only recourse for the Legislature is to repeal the law that enabled the regulation. This wastes Alaskan's time and money in the process. The repeal of burdensome regulations is vital to the progress of economic development for all of Alaska.

This issue has come before the voters in the past and now the time has come again for the voters to reduce the amount of time and money spent in legislation. Voters would have the chance to speak out about the proposed amendment in the next general election.
