Sponsor Statement HB 392 Continuances of CINA Hearings

HB392 acknowledges that, at the 48 hour hearing during which the court determines whether a child is a "Child In Need of Aid", the parent or guardian of that child may request a continuance of up to seven days, and instructs the court to advise the parent or guardian of that right at the time of the hearing.

When the State takes action to protect the safety of a child, it is an emotionally charged and very confusing situation for a parent. Often, at the time of the first hearing, which occurs within 48 hours of the time the child is taken into custody, parents have not had an opportunity to see the allegations made against them. This legislature recognizes that parents may need time to comprehend and respond to those allegations. For this reason, HB392 ensures that parents and guardians are informed of their right to request a continuance.

Also, on page 1 at lines 1 and 7, and on page 2 at line 3, the word "placement" should be replaced with the word "custody." This more accurately reflects that the precipitating issue in the hearing is that the child has been taken into emergency custody. Placement is addressed only after probable cause for emergency custody has been found, at the end of this section.

Also, to improve the internal consistency of this statute, the words "or supervision" should be added to section 1, on page 2, at the end of line 7. This reflects more accurately that after finding probable cause, the court may either temporarily place the child with the department or may return the child to the child's parent or guardian subject to departmental supervision, as provided in AS 47.10.142 (e).
