Chairman, House Committee on Rules
State Capitol Building
Juneau, Alaska 99801

Dear Chairman Cowdery:

Last session legislation passed that combined the Department of Community and Regional Affairs and the Department of Commerce and Economic Development into the Department of Community and Economic Development. Because of this change and changes to the titles of other state departments, Uniform Rule 20, which addresses House and Senate Committee jurisdictions does not conform to actual department titles.

These technical corrections to the Uniform Rules are necessary to make them parallel the names of the reorganized state departments. I would appreciate your scheduling HCR 16 for consideration by the House Rules Committee at your earliest convenience.

I have enclosed a copy of the Resolution and my sponsor statement for the members of the Committee.

Sincerely yours,

A handwritten signature in black ink that reads "Andrew".
