ANALYSIS:

Travel – The Board is likely to hold one meeting in Juneau and three in Anchorage each year. Approximately five people will travel to each meeting, including Department staff, at an average cost of \$560 per person.
 Contractual – Executive administration of the Board will be privatized, as it was during FY 00. Costs to organize the Board meetings and interact with stakeholders and the Department are based on past Board activities while recognizing that the program was cut significantly in FY 00. Board administration during FY 00 was approximately 100.0. The work to revise the program as required by the FY 00 cuts as well as completion of new loan regulations has been accomplished. It is anticipated that work for the Board in FY 01 will be minimal and focused on the four meetings that will be held throughout the year. The administrator will interact with the Department and tank owners and operators concerning questions and appeals on eligible costs and new appeals under the new authority for review of the Department's cleanup decisions.
