## Objective

### To be considered for an appointment to the Alaska State Board of Fisheries

I am applying to be considered for appointment to the Alaska State Board of Fisheries. I do this with full knowledge of the magnitude of the commitment, and weight of the responsibility involved in service on the board. I have lived in Alaska for 20 years and been actively involved in fisheries issues for over 10 years. In every issue I've become involved with I've worked to gather as much knowledge as possible about the issue. I have then worked to support solutions that were fair to all user groups while keeping the biological health of the resource as the top priority.

My business and my life are closely tied to the saltwater charter fishing industry. I am committed to helping find workable resolutions to allocation issues using the best available biological information and input from all user groups.

If chosen, I would serve to the best of my ability. My primary goal would be to help achieve the fairest possible allocation decisions based on a thorough working knowledge of the issues to come before the board.

## Highlights of Qualifications

- Member of the Anchor River Steelhead Task Force, 1990
- President of the South Peninsula Sportsman's Association 1990-1993
