ANALYSIS: (Attach a separate page if necessary)

This legislation directs the commissioner of Revenue to report to the governor and the legislature no later than Jan. 31, 2002, on the "options for the state to participate in the commercial development of the state's natural gas resources through ownership of or provision of financing for a gas pipeline project." The legislation sets out a comprehensive list of questions to be answered in the report and directs the commissioner to contract with suitable, qualified firms to perform the work.

The commissioner's office would contract with an investment banking firm for its expertise in the financing issues covered by the legislation. The expected cost of the contract is \$200.0, with \$15.0 requested for commissioner's office travel to meet with the contractor and others involved in the report.

IN THE LEGISLATURE OF THE STATE OF ALASKA

TWENTY-SECOND LEGISLATURE - FIRST SESSION

A BILL

FOR AN ACT ENTITLED

1 "An Act directing the commissioner of revenue to prepare a report to the legislature
2 relating to the state's participation in owning or financing a gas pipeline project; and
3 providing for an effective date."

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

5 * Section 1. The uncodified law of the State of Alaska is amended by adding a new section
6 to read:

7 REPORT OF THE COMMISSIONER OF REVENUE. (a) In furtherance of the
8 public policy that the State of Alaska "encourage . . . the development of its resources by
9 making them available for maximum use consistent with the public interest," and the
10 obligation of the legislature to "provide for the utilization, development, and conservation of
11 all natural resources belonging to the State . . . for the maximum benefit of its people," the
12 commissioner of revenue shall, not later than January 31, 2002, provide to the governor and
13 legislature a comprehensive report, with recommendations, addressing options for the state to
14 participate in the commercial development of the state's natural gas resources through

1 ownership of or provision of financing for a gas pipeline project. The report must consider
 2 whether

3 (1) the state should participate by taking an equity position in a gas pipeline
 4 project by

5 (A) owning all or a portion of the project; or
 6 (B) establishing a state-owned public corporation or authority to
 7 construct and operate the project;

8 (2) the state should participate in financing the project and, if so,
 9 (A) whether it should
 10 (i) issue debt, in the form of its general obligation bonds or
 11 revenue bonds of a state-owned public corporation or authority or in another
 12 appropriate form; or
 13 (ii) guarantee debt; and
 14 (B) what terms it, or its public corporation or authority, should require
 15 as conditions for provision of financial support for the project;

16 (3) the state is able to participate under (1) or (2) of this subsection; the
 17 consideration given under this subsection must examine the effect of that participation on the
 18 state's cash flow, its continuing ability to pay for essential public services, and the effect of its
 19 participation on the state's financial integrity and creditworthiness;

20 (4) state participation under (1) or (2) of this subsection would

21 (A) create additional risks for the completion and operation of the
 22 project;

23 (B) more likely than not cause the project to be completed and to
 24 operate successfully; and

25 (C) accrue benefits or detriments for other parties participating with
 26 the state or its public corporation or authority in the completion and operation of the
 27 project; and

28 (5) the state should participate in a gas pipeline project by establishing a
 29 private corporation, which would be composed of Alaska residents who wish to become
 30 shareholders, that would own a portion of the project or assist in the construction and
 31 operation of the project.

1 (b) The commissioner of revenue shall

2 (1) contract with a qualified and suitable firm or person qualified by education
3 or experience or of demonstrated competence for the performance of the requirements
4 described in (a) of this section; the contract awarded under this paragraph is made for a
5 purpose in which timely performance is essential that makes a procurement under AS 36.30
6 through competitive sealed bidding or competitive sealed proposals impracticable;

7 (2) require, as a term of the contract, that the person or one or more
8 representatives of the firm with which the commissioner contracts under (1) of this subsection
9 meet with the legislators who, during the Twenty-Second Alaska State Legislature, chair the
10 committees that have legislative jurisdiction over natural resources as provided in the
11 Uniform Rules of the Alaska State Legislature or their designees, for the purposes of allowing
12 review of the data and providing information to those legislators or designees regarding the
13 preparation and content of the report to be prepared under (a) of this section;

14 (3) provide progress reports regarding the preparation of the report to the
15 chairs of the committees described in (2) of this subsection at intervals of no more than 60
16 days; and

17 (4) prepare and deliver a comprehensive report with final recommendations.

18 * Sec. 2. This Act takes effect immediately under AS 01.10.070(c).

SB 158

Preparation of an Export Report on State Participation in a Gas Pipeline Project

Commercialization of North Slope natural gas has been one of the legislature's priorities. Potential benefits of commercialization include short and long-term employment, additional state and municipal revenues, opportunities for new industries, and cheap, clean energy for the state. This bill would direct the Commissioner of the Department of Revenue to retain a financial expert to examine whether the state should participate in either ownership or financing of a natural gas pipeline project. The expert would examine any benefit or detriment to a project caused by the state's participation. In the past, the state has retained financial experts to advise it on the possibility of the state participating in a project. Those reports need to be updated.

The bill would ensure that the legislature participates in the preparation of the report by:

- (1) requiring that the chairs of the Senate and House Resources Committees periodically meet with the expert to review data and information about the report; and
- (2) requiring that the commissioner provide progress reports to the chairs every 60 days. The bill would require the commissioner to prepare a comprehensive report, with recommendations, addressing the state's options by January 31, 2002 and submit it to the legislature and the governor.

SB 158

"Report: State Participation in Natural Gas Pipeline"

Section 1 - directs the commissioner of the Department of Revenue to retain a financial expert to examine whether the state should participate in either ownership or financing of a natural gas pipeline project and, if so, how the state should participate. The expert would examine any benefit or detriment to a project caused by the state's participation. The legislature will participate in the preparation of the report through the requirements that: (1) the chairs of Senate and House Resource Committees periodically meet with the expert to review data and information about the report; and (2) the commissioner provide progress reports to the chairs every 60 days. The commissioner must prepare a comprehensive report, with recommendations, addressing the state's options by January 31, 2002 and submit it to the legislature and the governor.

First of all I'd like to thank you for the opportunity to put my two cents worth into this, or should I say, two minutes worth. During the Labor and Commerce hearing committee meeting, I went over the five minute limit and was promptly reminded of it at the end of my testimony. Funny, all those in favor of this bill who went over, and there were many, were welcome to go over the time without any comments from Ms. Murkowski.

I guess as an independent I have no allegiance to either the Democrats or the Republicans, but I have to say that I've never seen this level of demagoguery coming out of the legislature in my 28 years as an Alaskan.

Alcohol usage is one of the easiest targets there is today for pinning the blame for societal ills. It's a piece of cake to tie those of us in the industry to the whipping post. In the short time allowed here I can only make a couple of points that stand out in my mind in regards to this taxation scheme.

1.) I absolutely resent the implication that we foster and cater to the criminal element in our society. It is illegal for us to serve an intoxicated individual. In our establishment, the rule is if you can't handle yourself while partaking, don't come in. We have an 86 list. In other words, if you can't control your behavior there's a penalty. Perhaps we as a people have moved too far away from that long established moral and ethical standard that we as individuals should be accountable for our own actions. This is what held societies together for centuries. The idea that we are going to tax ourselves to righteousness is ludicrous. The idea that the funds raised from this 300% tax increase are going to go into programs that subsidize and mediate the "alcohol problem" is an even greater abuse of political power. You as legislators know none of these dollars can be allocated as such. Where has the tobacco tax increase gone?

2.) Ms. Murkowski's backup propaganda, (excuse me, literature-Alaska's Alcohol Index) are unfairly skewed with the 1.4 million annual visitors to this state. It surprises me that they left one important qualifying statement in the paper, "There is no current analysis of how much of Alaska's alcohol consumption is related to the 1.4 million visitors to the state in 1999."

3.) Whether you believe it or not, this will put the smaller merchants out of business thereby requiring longer driving distances to consolidated larger retailers. Is this the effect desired? People will drink.

4.) I am not opposed to fair taxation; I'm not opposed to public safety. Some years back I proposed the idea of instituting a borough Sheriff in Nikiski, to offset the trooper load and to deal with the growing community of Nikiski's problems. I was promptly tarred and feathered. Be that as it may, I am not entirely opposed to an increase that is more logically tied to an inflation and cost of living index. We can sustain that, and I believe the state can too. I am willing to pay a fair share of taxes but I am not willing to submit to this prohibitive revenue collection bill and the undisclosed agenda it serves.

5.) Lastly, I think it's high time someone pick up on the idea of a real civil restitution bill, whereby we once again hold those accountable for their misdeeds and actions and associated costs incurred by the state and society by placing liens and garnishment in much the same fashion as CSED.

Alaska State Legislature

Please enter into the record my testimony to the HOUSE FINANCE COMMITTEE
committee name

Committee on HB-225 Alcoholic Beverage Tax dated 5/1/01
bill # subject

I/WE ASK THIS COMMITTEE TO ALLOW THIS BILL TO
DIE FOR THE FOLLOWING REASONS

- 1) THE TRUE COST TO THE STATE IS UNKNOWN (SPONSOR USING LOWER COSTS)
- 2) THE COST ESTIMATE (PER RESIDENT) DOES NOT INCLUDE THE
1.5 MILLION TOURISTS THAT VISIT EACH YEAR.
- 3) THE TAX WILL BE THE HIGHEST IN THE NATION
- 4) LIKE THE TOBACCO TAX THIS WILL GO INTO THE GENERAL FUND
AND NEVER END UP WHERE IT IS NEEDED (TRAINING + EDUCATION)

Thank you
H.A.
