SPONSOR STATEMENT HR 6

House Resolution 6 expresses support for Cook Inlet Aquaculture Association. The future of CIAA is imperative for the strength and health of fisheries in South Central Alaska.

Cook Inlet Aquaculture has assisted Cook Inlet fishermen for many years. Recently the Cook Inlet Fishery has dwindled to the point that an economic disaster was declared, funding has been cut and other means of funding need to be explored.

House Resolution 6 allows for continuation of Cook Inlet Aquaculture Association and support for funding at Federal levels. It will also provide hope that all Cook Inlet fisheries have hope of recovery and a bright future for all fishermen in Alaska.
