4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

5 * Section 1. AS 28.15.061(b) is amended to read:

6 (b) An application under (a) of this section must

7 (1) contain the applicant's full name, [SOCIAL SECURITY
8 NUMBER,] date and place of birth, sex, and mailing and residence addresses;

9 (2) state whether the applicant has been previously licensed as a driver
10 and, if so, when and by what jurisdiction;

11 (3) state whether any previous driver's license issued to the applicant

§383.153 Information on the document and application.

(a) All CDLs shall contain the following information:

(a)(1) The prominent statement that the license is a "Commercial Driver's License" or "CDL," except as specified in [383.153\(b\)](#).

(a)(2) The full name, signature, and mailing address of the person to whom such license is issued;

(a)(3) Physical and other information to identify and describe such person including date of birth (month, day, and year), sex, and height;

(a)(4) Color photograph of the driver;

(a)(5) The driver's State license number;

(a)(6) The name of the State which issued the license;

(a)(7) The date of issuance and the date of expiration of the license;

(a)(8) The group or groups of commercial motor vehicle(s) that the driver is authorized to operate, indicated as follows:

(a)(8)(i) A for Combination Vehicle;

(a)(8)(ii) B for Heavy Straight Vehicle; and

(a)(8)(iii) C for Small Vehicle.

(a)(9) The endorsement(s) for which the driver has qualified, if any, indicated as follows:

(a)(9)(i) for double/triple trailers;

(a)(9)(ii) P for passenger;

(a)(9)(iii) N for tank vehicle;

(a)(9)(iv) H for hazardous materials;

*provided by
Senator Gene Therriault*

(a)(9)(v) X for a combination of the tank vehicle and hazardous materials endorsements; and

(a)(9)(vi) At the discretion of the State, additional codes for additional groupings of endorsements, as long as each such discretionary code is fully explained on the front or back of the CDL document.

(b) If the CDL is a Nonresident CDL, it shall contain the prominent statement that the license is a "Nonresident Commercial Driver's License" or "Nonresident CDL." The word "Nonresident" must be conspicuously and unmistakably displayed, but may be noncontiguous with the words "Commercial Driver's License" or "CDL."

(c) If the State has issued the applicant an air brake restriction as specified in 383.95, that restriction must be indicated on the license.

(d) Except in the case of a Nonresident CDL:

(d)(1) A driver applicant must provide his/her Social Security Number on the application of a CDL; and

(d)(2) The State must provide the Social Security Number to the CDLIS.

siders "air over hydraulic" brakes to be air brakes under FMVSS 121.

Question 3: May a State issue a restriction to a driver who passes the air brake knowledge test and the skills test in a vehicle equipped with an air-over-hydraulic brake system that limits the driver to operate only vehicles equipped with an air-over-hydraulic air brake system?

Guidance: Yes. A State may issue the additional restriction, provided it is fully explained on the CDL. This would give a State the option to allow a driver who tests in a vehicle equipped with an air-over-hydraulic brake system (rather than a full air brake system) to operate a vehicle equipped with either a hydraulic or air-over-hydraulic brake system, while restricting them from operating vehicles equipped with a full air brake system.

Question 4: May a driver with an air brake restriction on his or her CDL operate a CMV equipped with a hydraulic braking system that has an air-assisted parking brake release?

Guidance: Yes. The air brake restriction applies only to the principal braking system used to stop the vehicle. §383.95(b) is not applicable to an air-assisted mechanism to release the parking brake.

§383.131 Test Procedures

Question 1: Are there any Federal regulations which require the States to retain for a specified period of time the CDL knowledge tests (or the test results) used to test CMV drivers?

Guidance: No, there are no Federal regulations regarding such record retention.

§383.133 Testing Methods

Question 1: May States administer the CDL knowledge and endorsement test in foreign languages or in other than a written format?

Guidance: Yes.

Question 2: Do the Federal standards limit the number of times a driver may take a test if he or she fails?

Guidance: The rule does not limit the number of times a driver may take a test.

Question 3: Is a State allowed to provide for an alternative test (e.g., oral) or administer an alternate exam format providing the test meets FHWA requirements?

Guidance: Yes. The knowledge portion of the test may be administered in written form, verbally, in automated formats, or otherwise at the discretion of the State.

§383.153 Information on the Document and Application

Question 1: May a State use the residence address as opposed to the mailing address on the CDL?

Guidance: Yes.

Question 2: May a State issue temporary nonphoto CDLs?

Guidance: Yes, as long as:

a. the State does not liberalize any existing procedures for issuing nonphoto licenses; and

b. the State does not allow drivers to operate CMVs indefinitely without a CDL which meets all the standards of §383.153.

Question 3: May a State choose to implement a driver license system involving multiple part license documents?

Guidance: Yes. A two or more part document, as currently used in some States, is acceptable, provided:

a. All of the documents must be present to constitute a "license;"

b. Each document is explicitly "tied" to the other document(s), and to a single driver's record. Each document must indicate that the driver is licensed as a CMV driver, if that is the case; and

c. The multipart license document includes all of the data elements specified in part 383, subpart J.

Question 4: If the State restricts the CDL driving privilege, must that restriction be shown on the license?

Guidance: Yes.

Question 5: Is a State required to show the driver's SSN on the CDL?

Guidance: No. §383.153 does not specify the SSN as a required element of the CDL document although the regulation does require a driver applicant who is domiciled in the U.S. to provide his or her SSN on the CDL application.

Question 6: Is a State prohibited from issuing a CDL to an applicant who, for religious reasons, does not possess an SSN?

Guidance: No. The determination of whether a person needs an SSN is left up to the Social Security Administration.

Question 7: Is a color-digitized image of a driver acceptable for purposes of a CDL?

Guidance: Yes. The FHWA will accept a color-digitized image of a driver on a CDL in lieu of a color photograph.

Special Topics — Motor Coaches and CDL

Question 1: May a State develop a knowledge test exclusively for motorcoach operators which excludes cargo handling and hazardous materials?

Guidance: Yes. A State could develop a basic knowledge test for bus drivers only, by deleting the cargo handling and HM questions from its normal basic knowledge test. In that case, the driver applicant would still need to pass the specialized knowledge and skills tests for the passenger endorsement, and the State would need to restrict the CDL to passenger operations only.

Question 2: What skills test is required for a CDL holder seeking to add a passenger endorsement?

Guidance: If a person already holds a CDL without a passenger endorsement, and subsequently applies for such endorsement, three situations may arise:

a. The passenger test vehicle is in the same vehicle group as that shown on the CDL. This situation poses no problem since there is no discrepancy.

b. The passenger test vehicle is in a greater vehicle group than that shown on the preexisting CDL. This is an upgrade situation. The driver and the State must meet the requirements of §383.71(d) and

Sec. 28.33.100. License to drive commercial motor vehicle. (a) A person may not drive a commercial motor vehicle until the person applies for and is issued a license for that purpose under AS 28.15.041. The department may not issue a license to drive a commercial motor vehicle unless the applicant

- (1) is at least 19 years of age;
- (2) has held a valid driver's license at least one year before the date of application or meets the experience qualifications established by the department;
- (3) has successfully completed all required driving tests and written and physical examinations;
- (4) either does not have a driver's license issued by another jurisdiction or surrenders all driver's licenses issued by other jurisdictions.

(b) In addition to the information required under AS 28.15.111, a commercial driver's license shall include information determined by the United States Secretary of Transportation to be appropriate to identify the licensee, ~~including the licensee's social security number.~~

(c) A person who has been a state resident for 30 days or longer may not drive a commercial motor vehicle under the authority of a commercial driver's license issued by another jurisdiction.

(d) The licensing requirements of this section are in addition to the requirements imposed on a school bus driver under AS 28.15.046.

(e) The department shall disqualify a person for a period of 60 consecutive days, and shall reevaluate the person's application or license to drive a commercial motor vehicle, if the department determines that the person knowingly provided false information required under

- (1) this section or AS 28.15 in an application to the department for a commercial driver's license; or
- (2) AS 28.33.110(c) in an application for employment. (§ 3 ch 53 SLA 1990; am §§ 16, 17 ch 3 SLA 1992)

Effect of amendments. — The 1992 amendment, effective April 1, 1992, in subsection (a), substituted "drive" for "operate" in two places in the introductory paragraph and inserted "or meets the experience qualifications established by the department" in paragraph (2); and added subsection (e).

Sec. 28.33.110. Notification requirements for drivers of commercial motor vehicles. (a) A driver of a commercial motor vehicle holding a commercial driver's license issued by the state who is convicted of violating a federal or state law or local ordinance relating to motor vehicle traffic control in this or another state, or a federal, provincial, territorial, or municipal law relating to motor vehicle traffic control in Canada, other than parking violations, shall notify the driver's employer, in writing, of the conviction within 30 days after the date of conviction.

(b) A driver whose operating privilege is suspended, revoked, or canceled by a state, who loses the privilege to operate a commercial motor vehicle in a state for any period, or who is disqualified from operating a commercial motor vehicle for any period, shall notify the driver's employer of that fact before the end of the business day following the day the driver received notice of the suspension, revocation, cancellation, loss, or disqualification.

(c) A person who applies for employment as a commercial motor vehicle driver shall

- (1) provide the person's prospective employer, at the time of application for employment, with the following information for the 10 years preceding the date of application:
 - (A) a list of the names and addresses of employers for which the applicant was a driver of a commercial motor vehicle;
 - (B) the dates between which the applicant drove for each employer;
 - (C) the reason for leaving each employer;
- (2) certify that the information provided under this subsection is true and complete; and
- (3) provide additional information required by the employer. (§ 3 ch 53 SLA 1990)

Senate Bill 102: "An act relating to the information required in an application for, and to display of social security numbers on, certain licenses and instructional permits; and providing for an effective date."

Sponsor: Senator Gene Therriault 

Sponsor Statement

Senate Bill 102 removes the social security numbers from the face of drivers' licenses. It also allows someone who does not have a social security number to obtain a license.

Social security numbers provide a gateway to identity theft. An identification card, primarily a driver's license, is often used for check cashing, boarding planes, and other identification purposes. By removing this unique number from the driver's license, SB 102 attempts to preserve the privacy of each Alaskan. While the social security number is still required on the application for a driver's license, learner's permit, and state identification, it would no longer be displayed on the actual card.

SB 102 also places in statute a current policy recently adopted by the Department of Motor Vehicles. If a person does not have a social security number, (s)he can sign a sworn affidavit regarding their status and be granted a license. In the past, the State of Alaska did not grant a license if an applicant did not have a social security number.

Recognizing the desire to protect the identities of Alaskan residents, I have drafted this bill with an immediate effective date. The DMV has the technological capability to prevent social security numbers from appearing on identification cards and licenses; no equipment change would be necessary.

Under SB 102, all current licenses will remain valid. The change affects those issued after the effective date.

Section 1 clarifies that a social security number is still necessary on a driver's license application as required by federal law. If a person does not have a social security number, (s)he can sign a sworn affidavit regarding their status and be granted a license. In the past, the State of Alaska did not grant a license if an applicant did not have a social security number.

Section 2 removes the social security number from the face of a driver's license. Social Security numbers would also be removed from learners' permits and state identification cards, which are processed by the Department of Motor Vehicles as well.

Section 3 clarifies that all current licenses will remain valid.

Section 4 provides an immediate effective date.

RE: Inclusion of Social Security Numbers on License Applications and Other Documents

It has come to our attention that there is some confusion regarding the issue of inclusion of social security numbers on license applications and other documents.

Section 466(a)(13) of the Social Security Act (Act) requires States to implement procedures requiring that the social security number(s) of any applicant for a professional, driver's, occupational, recreational or marriage license be recorded on the application. In addition, section 466(a)(13) of the Act requires procedures requiring that the social security number(s) of any individual subject to a divorce decree, support order or paternity determination or acknowledgment be placed in the records relating to the matter and that the social security number(s) of any individual who has died be placed in the death records and recorded on the death certificate. Some States have asked how this requirement applies to those applicants or individuals that do not have social security numbers.

We interpret the statutory language in section 466(a)(13) of the Act to require that States have procedures which require an individual to furnish any social security number that he or she may have. Section 466(a)(13) of the Act does not require that an individual have a social security number as a condition of receiving a license, etc. We would advise States to require persons who wish to apply for a license who do not have social security numbers to submit a sworn affidavit, under penalty of perjury, along with their application stating that they do not have a social security number. Such an affidavit should also be required for divorce, support or paternity matters where an individual indicates that he or she does not have a social security number or in death cases where a family member, next of kin indicates that the deceased did not have a social security number.

This is consistent with the position we took in PIQ-97-04 regarding the requirement for inclusion of social security numbers on voluntary paternity acknowledgement affidavits. In PIQ-97-04 we stated that, although section 452(a)(7) of the Act specified that the social security number of each parent is one of the minimum requirements of an affidavit to be used for the voluntary acknowledgment of paternity, the omission of one or both of the social security numbers would not invalidate the acknowledgment.
