ANALYSIS: (Attach a separate page if necessary)

This Legislation removes current statutory language requiring a disaster declaration from the governor or president in order to have a reassessment of an area which suffered a natural disaster. This is a local tax issue and would have no fiscal impact on this department.

HOUSE OF REPRESENTATIVES

SPONSOR STATEMENT HB 209

HB 209 will allow municipalities to provide for a tax reduction for property destroyed, damaged or otherwise reduced in value as a result of a disaster. A municipality can adopt by ordinance criteria for assessment or reassessment of property values.

This legislation broadens the municipalities' authority to define "disaster" to include for example, a fire or flood that occurs within a home. It repeals Section 29.45.230: (e) In this section "disaster" means a major disaster declared by the President of the United States under federal law or a disaster declared by the governor under AS 26.23.010-26.23.110.

Arizona, California, Idaho, Mississippi, Pennsylvania, and South Dakota are states that currently provide pro-ration of taxes for casualty loss. Many other states are currently considering similar legislation.
