ANALYSIS: (Attach a separate page if necessary)

This proposed legislation will enhance the penalties for minors operating a vehicle after having consumed alcohol, refusal of a breath test, or operating a vehicle within 24 hours after being cited for minor operating a vehicle after consuming alcohol. The offenses under AS 28.35.280, AS 28.35.285, and AS 28.35.290 respectively, will remain infractions. Under current statute, a fine of not more than \$1000 can be assessed. With the proposed legislation, mandatory minimum fines will be established. The amount of the fine will be increased for each subsequent offense.

It is not anticipated that this legislation will have a fiscal impact on the Alaska State Troopers.

ANALYSIS: *(Attach a separate page if necessary)*
Committee Substitute for SB 224(STA) increases the fines and provides for mandatory community work service for the offenses of (1) minor operating a vehicle after consuming alcohol, (2) minor's refusal to submit to a chemical test and (3) driving during the 24 hours after being cited for alcohol of breath test offenses. Although these offenses remain infractions, the mandatory community work service triggers the right to appointed council and a jury trial. Because of these additional rights, passage of CSSB 224(STA) will impact the court system. At this time, however, the extent of that impact is too speculative to support a fiscal note.

DMV does not anticipate an increase in workload. The number of arrests will remain relatively constant unless law enforcement increases their staffing dramatically. DMV has a system in place for handling these cases and an additional criminal charge will not substantially change the workload.

This bill will have a fiscal impact on the operations of the Office of Public Advocacy, though the impact will be indeterminate. Amending the minor operating a vehicle after consuming alcohol(MOVAC) offense and related refusal and driving 24 hours after citation offenses to further increase the penalties by setting mandatory fines and mandatory minimum community work service for 1st, 2nd, and multiple offenders will increase the caseload and workload of the Agency. Minors charged with these offenses will be entitled to a jury trial and court-appointed counsel. See *Auliye v. State*, 57 P3d 711 (Alaska App. 2002); *Booth v. State*, 903 P.2d 1079, 1087-88 (Alaska App. 1995). More cases involving juveniles charged with these offense will be assigned to the Agency. There were approximately 387 minors in FY03 who had their licenses administratively revoked for driving after consuming alcohol. Of that number approximately 155 were charged with DUI for over .08 alcohol content. As a result, it is conservatively anticipated that there will be over 200 more cases a year assigned public counsel for these offenses because of the increased penalties. The workload on these cases will also increase because of the more severe penalties.

SPONSOR STATEMENT CSSB224

“An Act relating to a minor operating a vehicle after consuming alcohol, to a minor refusing to submit to chemical tests, and to driving during the 24 hours after being cited for one of those offenses; and providing for an effective date.”

The purpose of SB224 is to change Alaska's law to require stiffer penalties to apply to person under the legal drinking age drives after consuming any amount of alcohol.

Under current Alaska law, a person under 21 who drives with a BAC of below .08 will receive a charge of minor consuming and/or minor operating a vehicle after consuming, both of which are infractions.

SB224 applies mandatory fines and community service for minors to drive after consuming any amount of alcohol. A first-time offender faces a \$500 fine, which increases to \$1000 for a second offense and \$1500 for additional offenses. Community service requirements increase similarly.

Drivers between the ages of 15 and 20 years old make up roughly 7% of the total driving population. That 7% constitutes 14% of the alcohol related fatalities. Zero Tolerance laws can act as a deterrent and dramatically help change deadly behavior.
